Re: Snow Emergency, December 22, 2022

Per Section 94-216 of the municipal code, I am declaring a **Snow Emergency in the City of Racine from 6:00pm on Thursday, December 22 until 6:00am on Saturday, December 24, 2022** in order to aid the city's snow removal operations. The National Weather Service is predicting a significant snowfall during this period of time.

This means there shall be no parking permitted on either side of the city's arterial and collector streets. As always, alternate side parking will be in effect from 2:00 a.m. to 6:00 a.m., per City Ordinance. **Vehicles parked in violation of these restrictions will be ticketed, and subject to towing.**

Again, a Snow Emergency is in effect from 6:00pm on Thursday, December 22 until 6:00am on Saturday, December 24. Parking restrictions during this period will allow crews to remove as much snow as possible from city's streets.

The following is a link to our website, which outlines the Snow Emergency Parking Restriction locations:
