1. REGISTRATION

- a. Every player in City of Racine municipal adult athletic leagues must complete and sign a team registration form at the Parks, Recreation and Cultural Services Department (“PRCS Department”).
- b. An eligible player may register and play with three softball teams, two volleyball teams, one basketball team, one sand volleyball team, and one fall kickball team. EXCEPTIONS: Co-ed and 16” do not count against your gender specific nights. Co-ed players may play on one team each night co-ed is offered. The player must sign a new team registration form each season. Proper fees must accompany each form.
- c. A player is a member of the first three softball teams, first two volleyball, and first sand volleyball, basketball and fall kickball teams he/she signs with. All other player registrations are void. Dates used will be the date the team registration form is filed with the PRCS Department.
- d. Players must sign their own team registration form.
- e. Opening registration dates are as follows: Softball and sand volleyball, first working day in January; Fall kickball, second Monday in July; Fall softball, third Monday in July; basketball and volleyball, fourth Monday in August. Player cards are available year round in the PRCS Office or online at www.cityofracine.org/ParksRec.
- f. All teams must register with the minimum number of required players:
 - a. Softball – 11 players (Exception: Coed teams may register with 10 players, but the 11th player will be considered forfeited upon registration. All players added after registration will incur an additional player fee.)
 - b. Basketball – 7 players
 - c. Volleyball – 6 players
 - d. Sand Volleyball – 6 players
 - e. Coed Kickball – 11 players (Exception: Teams may register with 10 players, but the 11th player will be considered forfeited upon registration. All players added after registration will incur an additional player fee.)
- g. Additional players may be added until the league player registration deadline is reached. Once the season begins, players may be added at any time. Some restrictions to the number of player additions may apply.
- h. Managers are urged to review their rosters when received to ensure all team players have been correctly added. Teams must have the required number of legal registered players on their roster sheet when league play begins.

- i. Outstanding team balances from previous year must be paid before registration will be allowed in current season.
- j. No player is permitted to take part in a league game unless he is eligible in all respects. Managers, players and game officials shall keep this rule in mind at all times.
- k. A player found guilty of violating these rules shall be suspended from municipal league competition for duration of time which, in the judgment of the PRCS Director, fits the offense.
- l. Player fees are non-refundable and are non-transferable to another player. EXCEPTION: Players replacing a medically-released teammate may, at the discretion of PRCS administration, be exempt from paying an additional player fee. In this situation, the medically-released player would be permanently removed from the team and prohibited from participating in further season league play.

2. ILLEGAL CONTRACTS, SUSPENSIONS, FORFEITS

- a. A player who takes part in a game for which he/she is not eligible will be suspended from City of Racine municipal athletics for a period of time which, in the judgment of the PRCS Director, fits the offense.
- b. Managers playing a person(s) who is not eligible (not on their roster) may be suspended from City of Racine municipal athletics for a period of time which, in the judgment of the PRCS Director, fits the offense.
- c. Managers, players, and game officials may not, at any time, waive any eligibility rule established by the PRCS Director.
- d. Only eligible players shall take part in City of Racine municipal athletics. Where the game official knows of a violation, he shall report that fact on his game report card.
- e. Games canceled due to lack of eligible players will be considered a forfeit.
- f. A team is allowed two forfeits a season. The team may be dropped from the league after the second occurrence in any league.
- g. After the second forfeit, a team forfeiting a game will not be allowed to resume play in any league until payment of the \$25 forfeit fee occurs.
- h. No money shall be refunded and team members are not eligible to register for another league until the forfeit fee is paid.

3. PARTICIPANT PLAY POLICY

- a. It is the policy of the City of Racine PRCS Department to provide recreational league play in various sports activities for male and female participants (for a complete listing of the various leagues provided by the PRCS Department, contact the office or visit the PRCS website at cityofracine.org/ParksRec). In those rare instances where there is no league available in a specific sports activity offered by the PRCS Department, the following conditions will govern participation.
 - i. When and where the PRCS Department does not provide recreational league play for each gender's respective and specific participation, the PRCS Department will allow cross gender participation in a gender league that is provided.
 - ii. The men's league is designated for male participants, the women's for female participants and the co-ed for male and female participants who wish to play on a team together. Cross gender participation will only be allowed when there is no recreational opportunity to participate in a "like league" that is gender specific.

4. TRANSFERS AND RELEASES

- a. No player changes may be made between the additional player deadline and the start of play. Once the season begins, players may be added at any time. Some restrictions to the number of player additions may apply.
 - a. Releasing a player:
 - i. The signing and filing of a Player Release form is required for the release of a player entering service, a person returning from service (with a copy of their admission or discharge papers) or a player suffering a disabling injury (certified in writing by a physician).
 - ii. An injured player must wait a minimum of 30 days from the time of release before being eligible to reenter as a player.
 - iii. Player fees are non-refundable and are non-transferable to another player.
 - a) EXCEPTION: Players replacing a teammate released for medical or military purposes may, at the discretion of PRCS administration, be exempt from paying an additional player fee. The released player would be permanently removed from the team and ineligible to return for season play in any city league/team.
 - iv. City tournament rules may dictate a deadline for player replacements.
 - b. Transferring a player: The signing and filing of a Player Release form is required. A player transferring may not leave a team short of players. A new player must be signed before a player may be released. A player may not transfer to any team in any league when that team has a better percentage of wins and losses than the team he/she is leaving.

- c. If a manager refuses to release a member of the team, that player may obtain an automatic release if idle from play for 14 days or longer. Prior to the 14-day period, the player must submit to the PRCS Department written notification of intent to transfer without manager support. A player who is automatically released after 14 days of idleness is not permitted to transfer to another team unless an active registration period is underway.

5. ELIGIBILITY

- a. All individuals who meet the age requirement for the specific sport are eligible to play in City of Racine municipal leagues.
- b. A player who is a member of a college, technical school, high school or any other school athletic team may register, but is not eligible for City of Racine municipal league play until the schedule is finished for the season. If a player becomes ineligible, or quits his/her college school team prior to the finish of the schedule, he/she may play in City of Racine municipal leagues provided registration and eligibility rules are met. A player who is a member of any of the above organized school teams shall lose his/her eligibility for City of Racine municipal athletics for a time determined by the PRCS Director. In addition, his/her city league team will lose the games the player participated in if they are protested within the 10 day limit. Individuals who lost their high school eligibility because of being over age are permitted to play in City of Racine municipal leagues.

Prior to the start of each game, both team managers will provide the umpire with a new 12" or 16" softball (women: new or playable). For correct COR, see softball rules. A ball that is lost in the river or weeds will be replaced with a used ball of the correct COR.

10. PARKS, RECREATION AND CULTURAL SERVICES BOARD, PROTESTS

- a. For the good of the game, the spirit of cooperation and good fellowship is essential.
- b. All rules and regulations governing City of Racine municipal athletics are under the control and jurisdiction of the PRCS Board.
- c. A protest committee shall be made up of three PRCS Board members. This committee, chosen by the PRCS Commission, is appointed for one calendar year. The PRCS commission may (at its option) reconsider the protest.
- d. All protests involving rules and laws of the game shall be made in writing and presented to the PRCS Director within 72 hours of the game in question, and must be accompanied by a protest fee of \$25.00. A Protest form is available with this book or from the PRCS Office. If the protest is upheld the fee is returned to the protestor; if the protest is lost, the fee is retained by the PRCS Department.
- e. The protest must clearly set forth and contain full particulars of the charge(s) alleged. If the protest is based upon the decision of a game official, he must be notified at the time of the offense that the game is being played under protest.
- f. In softball, there can be no appeal from decisions based upon an umpire's judgment as to whether a base runner was safe or out, a batted ball fair or foul, or any other play involving accuracy of an umpire's judgment.
- g. A player is considered ineligible in two ways: (1) Failure to not be properly signed because of eligibility or registration, or (2) Signing and playing with more than the allotted number of teams. In the first case, the team he/she plays with will lose the

game or games he/she plays in, provided the game or games are protested within the proper time limit. Managers playing a person/people not eligible (not on their roster) may be suspended from City of Racine municipal athletics for a period of time which, in the judgment of the PRCS Director, fits the offense. The offense may result in a one-week to a one-season suspension, to include post season play. In the second case, the first team or teams he/she signs with are the eligible teams, and only the extra team can be protested against.

- h. Protests involving ineligible players during league play must be made in writing and presented to the PRCS Department within 10 days of the disputed game. Teams winning a protested game will win the said game. There is a \$25.00 protest fee. If the protest is upheld, the fee is returned to the protester; if the protest is not upheld, the fee is retained by the Department. An additional penalty in this case will be that the team the player played with will not be eligible to win that league's championship. Scorebook with names for both teams must accompany a softball player protest. Concerning person(s) playing under someone else's name: A player taking part in a game in which he/she is not eligible will be suspended from City of Racine municipal athletics for a period of time which, in the judgment of the PRCS Director, fits the offense.
- i. Complaints lodged against inefficiency or conduct of game officials must be made in writing and filed with the PRCS Director within 72 hours of the game in question. Complaints against managers and players by game officials must be made in writing and presented to the PRCS Director within 72 hours of the game in question.
- j. Tournament protest rules will be printed on tournament flyers.
- k. Any player or manager ejected from a game (city league or tournament) is subject to City of Racine rules. To ensure better sportsmanship and conduct among managers, player and spectators, the PRCS Board has set the following rules which apply until the game official and/or player leave the premises.

 - a. 1st offense: One (1) year suspension
- vi. A player dismissed from a game for hitting or kicking an umpire, official, or referee:
 - a. 1st offense: Suspended indefinitely with review after three (3) years

For any player who receives a suspension and plays in more than one league, the suspension will apply to player participation in all respective league play.

A suspension will be increased if the violation is severe enough to warrant such action to be taken.

If the offense is near the end of the season, the remaining days will be carried over to the league tournament, the next sport he/she participates in, or the next season, whichever comes first.

A suspended or ejected player must leave the gym/field or facility immediately. The game will not continue until suspended player, coach or spectator has left the premises. Failure to leave the premises will result in the game forfeiture.

Any player or coach who has been suspended for one year or more will be placed on a one year probationary status after serving his/her suspension, with the condition that if he/she is ejected from any game in which he/she played, he/she will be placed on indefinite suspension.

Any spectator who has been suspended for one year or more and returns to the premises after serving suspension will be placed on a one year probationary status with the condition that any unsportsmanlike conduct exhibited will result in an indefinite suspension from all games.

Any and all appeals must be directed in writing to the PRCS Board within five days of the incident. Suspensions remain in effect until ruled on by the PRCS Board.

11. POSTPONEMENTS

- a. Due to the heavy schedule of games in all City of Racine municipal sports, and due to the shortage of playing facilities, postponements shall be held to a minimum of two per team per season for softball, volleyball, and basketball. No postponements are allowed for sand volleyball, Fall softball and kickball. No game may be postponed unless agreed to by both managers and an official Postponement Agreement is filed in the PRCS Department.

Postponement Agreements are available at the end of this book and at the PRCS Office.

- c. If neither team fields the required number of eligible players for the scheduled game a forfeit will be declared against both teams. Payment of forfeit fees is due within 48 hours. Teams may be dropped from league for non-compliance. Forfeited games will not be replayed. Forfeit fees for adult teams are \$25.00.
