

# DIABETIC SUPPLIES

## WHERE TO GET HELP

The cost of diabetes pills, insulin, a blood sugar meter or test strips can be a problem at times for almost everyone. If paying for your diabetes medicine or supplies is a problem, the first step is to talk to your doctor, nurse, or diabetes educator. They often can help.

Below is a list of some organizations that may also help you to obtain free needles. Please call to see if product available prior to visiting locations.
