<p><b>SUMMARY</b></p> <p><b>CROSS REFERENCE: Mt. Pleasant Police Department #19-13059</b></p> <p>On June 15, 2019 at approximately 0447 hours, I was contacted (via cellphone) at my residence (by Lieutenant DAVID WOHLGEMUTH) and advised of a Major Crimes Squad activation. I was advised Mt. Pleasant Police Department had been involved in an Officer Involved Shooting and Racine Police Department had been tasked with the investigation. After arriving at the Racine Police Department for a briefing, I was designated as Lead Investigator for this case. I learned Mt. Pleasant Police Department Sergeant ERIC GIESE was the officer involved in the incident and later learned TYRESE WEST was deceased as a result of the incident. This report supplements the preliminary scene investigation. Please cross reference Mt. Pleasant Police Department reports under Mt. Pleasant Police Department complaint #19-13059. **NARRATIVE**

On June 15, 2019, at approximately 0447 hours, I, Investigator (INV) KEVIN KUPPER was contacted (via cellphone) at my residence by Lieutenant (LT) DAVID WOHLGEMUTH regarding a Major Crimes Squad activation. LT WOHLGEMUTH informed me there had

been an Officer Involved Shooting with Mt. Pleasant Police Department (MPPD) and Racine Police Department (RPD) Major Crimes was being activated to lead the investigation. LT WOHLGEMUTH requested I respond to RPD for a briefing of the incident and assignment.

At approximately 0530 hours I arrived at RPD and spoke with LT WOHLGEMUTH. LT WOHLGEMUTH advised I would be Lead Investigator for the investigation and would be assisted by INV DAVID DERKS, INV DANIEL LANGENDORF, INV JOSH LAFORGE, and INV NICHOLAS CONTRERAS. I was also advised that Sergeant (SGT) ERIC GIESE (MPPD) was the only Officer involved in the incident and that he was at RPD, in the officer break room. I entered the officer break room and observed Criminalist TODD HOOVER completing photographs of SGT GIESE'S uniform and duty gear. I observed SGT GIESE to be calm and cooperative and wearing full standard MPPD uniform and badge. I also observed SGT GIESE'S duty weapon and duty belt/contents. I observed SGT GIESE to have a Glock .45 (model 21) handgun. I observed there to be three magazines displayed on the table. Each of the two spare magazines appeared to have ■ unfired, Spear brand, .45 rounds (loaded to capacity). The magazine (removed from the handgun) had ■ unfired Spear .45 cartridges. Based on the magazine capacity, plus one round in the chamber I believed SGT GIESE had fired three rounds from this handgun. (It should be noted I did later hear SGT GIESE make a statement, to no one in particular, that he had fired three rounds during the incident). I observed SGT GIESE'S duty belt to contain a holster for a Taser and the Taser appeared to be unaccounted for at this time. I also observed a baton, handcuffs, tourniquet, and radio on the duty belt. SGT GIESE'S uniform appeared to be undamaged and consisting of a dark navy blue uniform shirt and pants, with a metal badge displayed on the front left breast of the uniform shirt, and large MPPD patches displayed on the upper portion of each sleeve. I also observed SGT GIESE to be wearing black boots and a ballistic vest. (Please refer to Criminalist HOOVER'S photographs and reports for complete information regarding SGT GIESE'S uniform, duty gear, and duty gear items inventoried).

I made contact with SGT GIESE, introduced myself, and made sure SGT GIESE was being taken care of and was not injured. Deputy Chief (DC) JOHN POLZIN was preparing to transport SGT GIESE for medical blood draw and SGT GIESE had been issued a new duty handgun by LT SCOTT GEYER (MPPD).

I asked SGT GIESE if anyone had taken a public safety statement at the scene or at RPD. SGT GIESE stated nobody had asked him any questions or interviewed him in any way at this time. LT WOHLGEMUTH utilized a Public Safety Statement Critical Incident card (Policy 615) to read the seven public safety statements to SGT GIESE.

LT WOHLGEMUTH asked SGT GIESE the following questions;

Question one; "Are you injured? Are you aware of any other individuals who may be injured? If so, where are the injured individuals located?" SGT GIESE answered that he was not injured and the only individual he knows to be injured was the

<p>suspect involved in the altercation (later learned to be WEST).</p> <p>Question two; "Did you discharge your weapon? Are you aware of whether any other member discharged a weapon?" SGT GIESE answered "I did" and stated that no other members were present or discharged a weapon.</p> <p>Question three; "Did any suspect possess or discharge a weapon? If so, are you aware of the location of any such weapon?" SGT GIESE stated "yes, it's right next to his hand". (Based on the scene and previous statements I believed SGT GIESE was referring to the suspect WEST and that the firearm was next to WEST'S hand still on the scene).</p> <p>Question four; "Other than your own weapon, are you aware of any other weapons that need to be secured? If so, where are they located?" SGT GIESE again stated "Yes, right next to his hand".</p> <p>Question five; "Are there any outstanding suspects? Where are they located? If they have fled the scene, provide a description of their appearance, their mode of travel, and the location in which they are headed? How long has it been since you left the scene?" SGT GIESE replied "There are no other suspects".</p> <p>Question six; "Are you aware of any witnesses to the critical incident? If so, provide a description of the witnesses and their location?" SGT GIESE stated "No other suspects and no other witnesses".</p> <p>Question seven; "Is there any evidence that needs to be secured or protected? If so, where is it located?" SGT GIESE stated "My gun, his gun, himself, my body camera wasn't running, my squad camera was full, I discharged my Taser as well as I saw him going for the waistline, I dropped that (Taser)".</p> <p>That ended the questioning for public safety as I believed the suspect was on the scene as well as all items of evidentiary value. SGT GIESE was then transported from RPD by DC POLZIN for the blood draw and released to MPPD personnel to be transported home.</p> <p>INV DERKS and I then left RPD and responded to the 2400/2500 block of Racine Street/Sheridan Road. I observed squads from several different jurisdictions assisting with blocking the scene, including Racine County Sheriff's Department (RCSD), MPPD, Sturtevant Police Department (STPD), and RPD. I observed a large scene secured in yellow police tape, an approximate two block radius around the 2400/2500 blocks of Racine Street. INV DERKS and I made contact with SGT JEFFREY BEBOW who briefed us of the scene. SGT BEBOW showed us a MPPD SUV marked squad parked in a southbound direction, partially on a driveway approach, mid-block of 25<sup>th</sup> Street. SGT BEBOW identified this vehicle (marked MPPD K-9 squad #128, with functioning lights, and full police markings) as the vehicle SGT GIESE was driving. Approximately five feet west of this vehicle, I observed a men's style mountain bike lying on the ground, as well as a black men's style hooded</p>

Incident Date:

06/15/2019

sweatshirt, which was approximately ten feet west of the bike. The bike and sweatshirt were in the roadway on 25<sup>th</sup> Street. SGT BEBOW stated this is where the scene/contact was initiated between SGT GIESE and WEST, and it appears WEST fled in a westbound direction on 25<sup>th</sup> Street, crossing Racine Street, towards the west sidewalk and grassy area near a north/south running fence.

INV DERKS and I walked towards the grassy area near the fence where I observed Criminalist DONALD PRUDHOM, Major Crimes Evidence Technician GARY NEUBAUER, and Officer (OFC) TODD LAUER utilizing a metal detector and searching the area. As I approached this grassy area near the fence, I did observe a male black (later identified as WEST) lying on the ground, obviously deceased. WEST was lying slightly on his right side, with arms handcuffed in the front, with his back/hips up against an eight foot metal fence, with barbed wire visible on the top of the fence. WEST'S head was lying in a southern direction and feet lying in a northern direction. I observed WEST to be wearing a black winter style hat, a white T-shirt (which appeared to be cut by medical personnel on the front), and dark colored jeans. A closer inspection of WEST showed what appeared to be two bullet holes in WEST'S forehead, just above the left eyebrow. I also observed what appeared to be a bullet hole in WEST'S left shoulder. [REDACTED]

I was advised no ID or cell phone had been located and WEST had not yet been identified. (It should be noted that several officers inadvertently identified, or believed WEST to be [REDACTED] but this identification was not immediately verified). It was later confirmed that [REDACTED] was in custody in a Madison, Wisconsin secure detention facility. WEST was identified after transport from the scene to the Milwaukee Medical Examiner's Office. Criminalist HOOVER took fingerprints of WEST and entered them into the AFIS system. Criminalist HOOVER and Criminalist PRUDHOM were able to receive and verify fingerprint data, positively identifying the deceased as WEST. (Please refer to other reports for further details regarding the identification of WEST).

I checked the grassy area where I observed several evidence technician placards marking several items of evidence. Approximately two feet to the east of WEST'S head I did observe a silver/black colored semiautomatic handgun. I later learned this handgun to be a SCCY brand .9mm model SPX-2 handgun with a serial number of [REDACTED], with a loaded magazine with 10 rounds of various .9mm ammunition in the magazine, and an empty chamber. This handgun was on the ground with the barrel facing towards WEST in a western direction and the grip/handle facing in a northern direction. Approximately three to four feet in a southeast direction of the handgun, I did observe a piece of wire I recognized as fired wire from a Taser, as well as a fired .45 Spear casing. Moving in a northerly direction, north of the handgun, I did observe two additional .45 fired Spear casings. These casings appeared to be of the same type as the unfired ammunition I had observed in SGT GIESE'S magazines at RPD. Several feet east of these casings I did observe a Taser probe and copper wire, confirming that the Taser had been discharged. Several feet to the north of these items I did observe additional Taser wire and a

Incident Date:

06/15/2019

yellow Taser with fired cartridge. Based on the probes and wires lying in the grass, I did not believe that the Taser had struck WEST. The last item of evidence I observed in the grassy area was a plastic Pelican type case, which contained medical supplies. I was also advised that, while completing a secondary sweep of the area, Officers located the Taser cartridge blast doors and markers, on the sidewalk near the grassy area directly to the east of the other mentioned items.

Several MPPD Officers, RCSD Deputies, and a STPD Officer were on the scene and were interviewed by RPD INV LANGENDORF, INV KLINKHAMMER, INV CONTRERAS, and INV LAFORGE. INV CONTRERAS and INV LAFORGE also canvassed area businesses for video surveillance cameras. Please refer to mentioned Officer's respective reports regarding the Officer interviews, as well as recovery of any surveillance video.

I observed several pole mounted street lights in the area and requested that Evidence Technician NEUBAUER return at approximately 0130 hours on Sunday, June 16, 2019, to take several overall photographs capturing the lighting conditions, as well as the streetlights in the area. Criminalist PRUDHOM, Criminalist HOOVER, and assisting Evidence Technicians processed the scene with photographs and collection of the evidence.

Criminalist PRUDHOM also took photographs of the MPPD police squad car SGT GIESE was operating. This squad car was eventually released from the scene (after search and photographs were completed) back to MPPD. It should be noted the squad car dash cam appeared to be nonfunctioning at the time of the report (later confirmed as not functioning). INV LAFORGE, assisted by the Division of Criminal Investigation (DCI), did remove the hard drive/memory card for further processing. SGT GIESE'S body cam was also turned over and confirmed to be nonfunctioning during this incident. DCI (AGENT RAY GIBBS) also took possession of the body cam to attempt to retrieve any possible footage.

I was also advised that body cams were collected from two additional MPPD Officers and would later be downloaded and reviewed by LT GEYER. INV DERKS was able to collect all squad video and body cams for review.

This ends the scene portion of the investigation. Please refer to all reports under 19-26477 for additional information regarding the initial scene.

**NARRATIVE****Summary:**

I, Detective Daniel Schauer and Detective Mark Haleen, were called in to assist in an Officer Involved Shooting Investigation, involving MPPD Sgt. Eric Giese that occurred near 25th Street and Racine Street, in the Village of Mount Pleasant. Detective Haleen and I served in a support function as the investigation was turned over to the Racine Police Department (Primary) and the WI Department of Justice/Division of Criminal Investigation (DCI) (Oversight).

**Narrative:**

On 06/15/2019, at approximately 1:41 AM, I, Detective Daniel Schauer was contacted by MPPD Detective Lieutenant Scott Geyer requesting that I respond for duty to assist in an Officer Involved Shooting (OIS) investigation. I was advised that the MPPD Officer involved was Sgt. Eric Giese, and that the subject involved had sustained fatal gunshot wounds. Sgt. Giese was not injured. I was also advised that Detective Haleen would also be contacted.

I arrived at MPPD at approximately 2 AM, and reviewed call comments concerning the incident. At about 1:33 AM, Sgt. Giese was attempting to stop a subject riding a bicycle, and that the subject had ignored this attempt, with Emergency Air given and later shots fired noted. Continued comments noted the subject was down, and various squads responding.

While at MPPD, I was requested by Lt. Geyer for contact information for WI DOJ/DCI to handle the investigation into the OIS. I later responded to the incident scene to assist.

Upon arrival, the scenes were secured through the use of police patrol vehicles

06/15/2019

closing off STH 32 (Racine Street) both north and south bound between 23rd Street and STH 11 (Durand Av) and westbound at 24th and 25th Streets. This served as an external perimeter. Inside this area was an interior perimeter sealed off with Crime Scene tape, around the incident locations. The scene was generally in an industrial/retail area.

I spoke with Lt. Geyer and Capt. Stroupe to assess the situation and obtain information concerning the sequence of events. It was summarized that Sgt. Giese attempted a traffic stop on a subject riding his bicycle N/B on STH 32, the subject failed to stop for Sgt. Giese, prompting Sgt. Giese to position his squad in front of the bicycle to compel the bicyclist to stop. This occurred on 25th Street, just east of STH 32 (Racine St). As Sgt. Giese positioned his squad (MPPD Marked Squad 128) in front of the bicyclist, the subject dismounted from the bike and ran west across STH 32. Sgt. Giese chased the subject on foot. Upon reaching a fence line on the west side of STH 32, Taser deployment apparently occurred, and a handgun was observed on the subject. Apparently the subject was non-compliant with Sgt. Giese's demands, resulting in the fatal shooting. Responding Officers and South Shore Fire/Rescue attempted life saving measures.

At the time of my arrival, the deceased subject was not positively identified, and did not have any identification on his person. The distance between the dismounted bike and the location of the decedent was about 300 feet. Squad 128 had its Emergency Lights activated at the time of my arrival and the Squad had not been moved since the incident. Sgt. Giese's Canine, Ares remained in the vehicle (128). I did not speak with Sgt. Giese other than to determine if he was physically alright.

The decedent was pointed out to me. He was along a fence line on the west side of Racine Street, about 20 to 25 feet west from a sidewalk that paralleled Racine Street. I did not approach the body, and viewed the scene from the sidewalk. Items of interest around the decedent were marked with crime scene tape, specifically a handgun and Taser. I spoke with responding officers, and neither the handgun nor Taser, were manipulated by officers, and were left in the original position as were discovered. I was further advised that the Taser maybe still be in the "on" position.

The bicycle used was a Mountain bike, black in color. The bike was lying on its side, undamaged. The bike was in the curb line on the south side of 25th St., west of Squad 128. Several feet west of the bike was a black jacket believed to have been worn by the deceased subject.

Lt. Geyer advised me that RAPD would be the primary agency assigned to investigate the OIS, with DCI serving as oversight/assisting agency. WI State Patrol Technical Reconstruction Unit (TRU) was also contacted and would perform diagram/mapping assistance of the incident scene.

Incident Date:

06/15/2019

MPPD Officer Phil Patek had taken initial photographs of the scene, including overview photos from a South Shore Fire Department Ladder Truck. These photos were later downloaded into the MPPD DIMS photo inventory system.

WI State Patrol TRU arrived on scene and initiated measuring and mapping of the various points of interest related to this complaint.

RAPD Major Crimes and DCI arrived on scene. I assisted RAPD Detectives in canvassing the area for any external cameras on businesses that may assist in this investigation.

Interviews of responding MPPD Officers were conducted by RAPD Detectives. Each interview was conducted independent from each other. At the request of MPPD Officers Cody Smith, Malcolm Kelly and Phil Patek, I was present during their separate interviews. I did not ask questions or interject during the interviews.

RAPD Criminalists/Evidence Custodians began to process the scenes. A serial number obtained from the handgun found near the decedent, that was in the possession of the decedent, had been turned over to Lt. Geyer. I was requested by RAPD to complete an ATF Trace on this serial number. The recovered firearm was described as a SCCY Brand, Model CPX-2 9mm semi-automatic pistol, bearing serial number [REDACTED].

I returned to MPPD and completed an ATF Trace on the recovered firearm with information received from RAPD. Detective Haleen checked the serial number through NCIC and through Phoenix RMS (Racine County) to determine if the firearm was stolen. This yielded negative results for any hits.

RAPD and DCI requested the SD storage card for the squad camera from Squad 128. I relayed this request to Captain Stroupe, who was able to access the SD Card, and turned it over to me. I turned the SD Card over to DCI Investigators, who would process any available video from the card.

I also forwarded to RAPD Detective Kevin Kupper via email, the initial photos taken by Officer Phil Patek, taken shortly after the incident occurred.

I was later notified by Detective Mark Haleen that the decedent in this incident was positively identified through fingerprint records as Tyrese D. West, [REDACTED] of Racine.

No further information.

**Mt Pleasant Police Department (MPPD)****Supplementary Report**

Incident Report Number: 19-013059	Incident Location: 24th St/Racine St, Racine, WI, 53403	Incident Date: 06/15/2019
New Incident:	Original CFS Code - 1: 9031	New CFS Code - 1: New CFS Code - 2:

**NARRATIVE**

On 15 June 2019 at 1:45AM I was contacted at home by Investigative Lt. Scott Geyer who directed me to report for duty to assist with an Officer Involved Shooting. I was provided minimal details including the Officer involved, location of the incident, and that the suspect was deceased.

I responded to the Mount Pleasant Police department at 2:00AM and after gathering some equipment I responded to the 2500 Block of Racine St. As I responded to the scene I contacted Racine County Joint Dispatch to gather available information regarding the incident. I was advised that Sgt. Giese had called out that he would be stepping out with a bicyclist in the area of 25th and Racine St and that the suspect fled from Sgt. Giese.

As I arrived on scene at 2:23AM I noted that RCSO had northbound STH 32/Racine St shut down at STH 11/Durand Ave. As I proceeded north I found that the scene was taped off with yellow police securing the inner perimeter which approximately one hundred yards south of 25th St.

As I entered the scene I noted that several Officers were guarding the grassy area on the west side of Racine St. just south of 25th St. It was pointed out to me that the suspect was in the grassy area next to the metal fencing approximately 25 feet west of the sidewalk. Officer Patek advised that he had placed some yellow police tape in the grass where the suspect's firearm was located and Sgt. Giese's Taser was located.

I never entered into the grassy area nor did I approach the deceased suspect. I proceeded north on Racine St. and observed Sgt. Giese's marked squad was stopped on 25th St. east of Racine St and had the emergency red and blue lights activated. There was a bicycle on the ground just west of the squad and a dark jacket a few yards west of the bicycle.

I continued north through the scene to meet with Lt. Geyer and Capt. Stroupe. I located Sgt. Giese on the west sidewalk of Racine St accompanied by Officer Swart. Except for making sure Sgt. Giese was alright I did not speak with him about the incident. Further, I noted police squads had cordoned off and secured the entire area. Shortly after arrival I requested Officers to begin a Crime Scene Entry Log through Captain Stroupe.

I stood by on scene until Racine Police Major Crimes Investigators arrived on scene to conduct the on-scene investigation. Once their preliminary investigation was complete and they had retrieved the firearm I was provided with the make, model and serial (SCCY CPX-II, S/N# [REDACTED] number which I

**SUMMARY**

This report will supplement the incident report and additional reports which have been submitted reference this investigation. It will detail my review of the body worn camera footage that was recorded by Racine County Sheriff Deputy Jacob Bauer's camera on the night of the Officer Involved Shooting of Tyrese West.

Also of note: Deputy Jacob Bauer's squad car is not equipped with a dash camera.

Mt Pleasant Police Officer Michael Lodygowski advised that he did not have a body worn camera that day and he had no squad mic activated.

-----**NARRATIVE**

As part of being assigned to assist with the investigation into the officer involved shooting of Tyrese West, I was tasked with interviewing Racine County Sheriff Deputy Jacob Bauer, who was on scene after the shooting occurred. I was advised that Deputy Bauer had been wearing, and had activated, a body worn camera at the time of his arrival to the scene. The following will serve as a timeline of this body camera footage. For the full video, see my inventoried disc of Deputy Bauer's body worn camera footage.

The footage of the body camera was provided to me by Ryan Geary of the Racine County Sheriff's Office. Upon playing the video, there is the number, "2019033193" on the top left. There is no date or time information anywhere on the footage. The timer starts at "0:00" when one pushes the play button to view the footage so the following documentation will reference the time of the

video with the beginning of the video starting at "0.00."

Video starts as Dep Bauer is driving his squad to the scene. There is no audio at this point. Upon arrival, Dep Bauer exits his squad and starts running Eastbound and activates the audio on his body worn camera. The time stamp is :30. Dep Bauer is seen running with another Officer. They run past an article of clothing in the roadway, then a bicycle in the roadway near the front passenger side corner of a Mt Pleasant Police Dept squad. They then determine where Sgt Giese is, and run back WB toward his location.

1:25 - Dep Bauer arrives to the scene and Sgt Giese states, "He's down. Gun's right there."

1:35- Dep Bauer approaches the body of Tyrese West (identification was unknown at this time.). West is lying on his right side. Another Officer points out a firearm which is lying in the grass by saying, "Here's the gun right here."

2:20 - An Officer asks, "Have you searched him yet?" Ofc Wroblewski of the Mt Pleasant Police Dept conducts a search of West's pockets and does not locate an ID.

2:33- Dep Bauer is seen putting on a pair of black gloves.

3:17 - Ofc Phillip Patek arrives to the scene and Ofc Wroblewski points out the firearm to him, indicating with his flashlight and say, "gun's right there, Patty." Ofc Patek states, "We're not touching shit!"

3:46 - Ofc Wroblewski asks Sgt Giese, "Are you good?" to which Sgt Giese responds, "I'm good. I'm good." Ofc Wroblewski asks, "Did he shoot at you?" to which Sgt Giese responds, "No. Nope." There is a pause before he says, "I'm fine."

3:58 - Sgt Giese states, "the taser is back there," and indicates to the North where he points out where the taser was lying in the grass.

4:02 - Someone asks, "Is that a real fuckin gun?" Officers look closely at it and someone says, "Yeah that's real."

4:18 - An Officer asks, "Can we search him to see who the fuck he is?" Ofc Wroblewski begins searching West and is seen going through his pants pockets.

4:38 - Sgt Giese states, "I fucking tazed him. I missed him. I got him down. He tried tossin it. I was fucking stepping on his fucking hand right here... then he kept on moving towards it. Then he moves past it as he's fucking moving back and I told him, I said, I'm gonna fucking shoot you! I'm gonna fucking shoot you! And he didn't listen. He didn't fucking stand still." During this time, Ofc Wroblewski rolls West over as he is still checking his

pockets.

5:35 - Sgt Giese advises dispatch that West was shot in his "upper torso," when asked by dispatch.

6:12 - An Officer asks Sgt Giese if he located his "shells," (spent shell casings) yet, and he stated that he had not.

6:25 - Ofc Wroblewski appears to be checking West for breath sounds by putting his head by West's face.

6:45 - Ofc Wroblewski asks Ofc Cody Smith to bring him an aid kit.

7:15 - Ofc Wroblewski is looking at West and states "two GSW's to the left chest."

7:43 - Ofc Wroblewski has an aid kit and removes gauze [REDACTED]  
[REDACTED] West's injuries.

8:43 - Racine Rescue Personnel is on scene and ask Ofc Wroblewski if there is any pulse at all and Ofc Wroblewski states that there are not any. Medics then begin attending to West's injuries.

11:02 - Dep Bauer goes to his squad and removes items that appear to be lengths of yellow Police tape and small thin strips of metal. He uses these as stakes which he uses to plae next to the firearm and the taser, so they are not stepped on.

15:27 - Racine Rescue Personnel are seen [REDACTED].

16:06 - A Racine Rescue Personnel states to, [REDACTED]

18:28 - Dep Bauer locates a shell casing in the grass

21:50 - Officers alert Phillip Patek to the casing located in the grass.

24:45 - Ofc Lodygowski states his belief that West is [REDACTED].

28:00 - Dep Bauer asks rescue personnel for a stiff piece of plastic to place in the ground so the spent shell casing does not get lost where it was located.

31:45 - An Officer requests that everyone back off the scene. Officers move back to the sidewalk.

33:16- Dep Bauer turns off the audio of his bodycam and confers with other Officers.

Incident Report Number

19-026477

Incident Location:

24th St/Racine St, Racine, WI, 53403

Incident Date:

06/15/2019

**NARRATIVE**

On 06/15/2019 I was contacted by phone by Lieutenant (LT) DAVID WOHLGEMUTH who advised me the Major Crimes Unit was being activated for an Officer Involved Shooting near 25<sup>th</sup> Street and Racine Street. LT WOHLGEMUTH advised that a Mt. Pleasant Police Department (MPPD) Officer was involved in a shooting and requested that I make the scene.

I responded to the scene where I conducted a walk through with MPPD LT SCOTT GEYER who advised me of the incident. I was also met by Racine Police Department (RPD) Sergeant (SGT) JEFFREY BEBOW who was in charge of the perimeter and traffic control squads. A short while later I was met by SGT ROBERT THILLEMANN who also assisted in supervising and securing the scene so it could be processed by RPD Investigators and well as RPD Major Crimes Criminalists.

Upon my walk through of the scene I noticed that there was a MPPD squad, noted as a K-9 squad, parked on 25<sup>th</sup> Street facing in a southeasterly direction. I noticed next to, or near, that vehicle was a bicycle lying in the roadway, and a short distance away from that was what I believed to be a sweatshirt or hoodie lying in the street. I was then escorted over to the actual shooting scene, which was on the west side of Racine Street, along a grassy area along a fence. I then noticed a body that was lying along the fence. That person was later identified as TYRESE WEST. I was also met by MPPD Officer (OFC) PHILLIP PATEK who was keeping a crime scene log at the time. He was later replaced by OFC BENNETT THILL from RPD.

I was advised by phone a short while later that Investigator (INV) KEVIN KUPPER would be taking the lead with co-lead of INV DAVID DERKS. INV KEVIN KLINKHAMMER, INV DANIEL LANGENDORF, INV NICHOLAS CONTRERAS, and INV JOSH LAFORGE also responded to the area. INV KLINKHAMMER and INV LANGENDORF assisted with interviews of the Officers and any possible witnesses. INV CONTRERAS and INV LAFORGE searched the area for any potential video evidence. Criminalist (CRMLST) TODD HOOVER and CRMLST DONALD PRUDHOM, as well as Major Crimes Evidence Technician GARY NEUBAUER responded to the scene, took photographs, processed the scene, and recovered any evidence. State Patrol OFC MICHEAL SMITH responded to document the scene with a photographing device.

Medical Examiner MIKE PAYNE arrived and took photographs and removed the body from the scene, with the assistance of the funeral home. I was advised an autopsy would be conducted later on Monday on that individual. While doing a walk through as evidence was being collected, I located what I believe is called a blast door from a Taser cartridge in the grassy area, west of Racine Street, east of the body. A blast door is a small piece of plastic that protects the Taser probe and wires. That item was later documented and photographed by the Major Crimes Evidence Technicians. Upon further searching I also located what's called an "afid", a small identification number unique to

each Taser, in the grassy area near the blast door. That item was also photographed and recovered by Major Crimes Investigators. A short while later a K-9 Officer from Milwaukee Police Department arrived with a special dog to search the area for any other possible gun residue evidence. To my knowledge, that search was negative.

Once Major Crimes Evidence Technicians completed their photographs and evidence recovery, the scene was released.

Please see other Officers' reports for their intimate details of their involvement in this investigation.

**NARRATIVE**

On Saturday June 15, 2019 at approximately 0430 hours, I was contacted by LT. WOHLGEMUTH and activated as part of the Major Crimes Investigative Team. LT. WOHLGEMUTH advised me that an officer from the Mount Pleasant Police Department was involved in an officer involved shooting, and the suspect was deceased. I was asked to respond to the scene to assist with the investigation.

I responded to the scene which consisted of two locations. One was just to the southeast of 25th and Racine Street, and the second across the street to the southwest. The second location is where I met with Mount Pleasant PD personnel as well as Racine PD supervisors. Upon my initial walk through of the scene, I observed a Mount Pleasant Police SUV parked on 25th Street, facing at an angle to the southeast with a bicycle on the ground just to the south of it. A short distance from there to the west was a piece of clothing, and then I was walked over to where the body of the suspect was laying.

The suspect was approximately 130 yards to the southwest of the squad car's location, laying on the ground in the grass, against a chain link fence, with his head facing south and legs facing north. I observed the suspect to be a teenager age range black male who was handcuffed in the front, with what appeared to be two bullet holes to the forehead area, just above the left eye, and what appeared to be another bullet injury to the left shoulder area. The suspect had some [REDACTED] on him showing that medical care was attempted by personnel on scene, in an attempt to aid the suspect. I observed further that several pieces of evidence had been marked by the evidence technicians who were processing the scene, and it was pointed out to me that among these were the involved officer's taser, taser probes from the discharged

cartridge, bullet casings, a police issued first aid kit and the suspect's 9mm firearm were marked. The firearm appeared to be within approximately two feet of the suspect's body location. After the walk through of the scene, it was determined that we would conduct interviews with the Mount Pleasant Police Department personnel who had responded to the incident.

The interviews I completed were conducted on scene in the Racine Police Department's Command Vehicle. It should be noted that I conducted three interviews, and each of these will be documented on separate supplemental reports, for each person that was talked to. Please refer to these reports for details on the specific interviews.

At the scene, we were advised that the victim was believed to be identified as one person, however while attempting to notify this person's family members, we learned that he was at a treatment facility, and it could not have been him in the altercation with officers. Based on this information, we requested that Criminalist HOOVER respond to the Medical Examiner's office in Milwaukee in an attempt to get fingerprints to identify the suspect. As this was taking place, I did attempt to identify him by showing his photo to several Law Enforcement personnel, however nobody could identify him. Upon returning to the PD, I was advised that Criminalist HOOVER returned and the fingerprints of the suspect were entered into the AFIS fingerprint identification system. After a short time, the AFIS system matched the fingerprints to a male identified as TYRESE WEST, [REDACTED]. After identity had been confirmed, INV. KUPPER, INV. DERKS, SGT. WEBB and the department chaplain responded to notify West's family members of the situation, and I was released.

As part of this investigation, I was tasked with transferring the body camera that was being worn by Ofc. GIESE at the time of the incident from Racine PD custody, into the custody of the Wisconsin Department of Criminal Investigation for forensic examination. I retrieved this camera from the RAPD Identification Bureau and entered it as evidence into the Racine Police Department's BEAST evidence control system. I then noted that the item was being turned over to the Department of Criminal Investigations, specifically Special Agent RAY GIBBS. When I recovered the camera from the identification bureau it was powered off and I did not activate it at any time.

This investigation is ongoing at this time.

Incident Date:

06/15/2019

**NARRATIVE**

On Tuesday, 07/02/2019, at approximately 1018 hours, I, Racine Police Department (RAPD) Investigator (INV) KEVIN KUPPER, along with Division of Criminal Investigations (DCI) Special Agent SHANNON JONES, completed an interview with S [REDACTED] R [REDACTED] at the RAPD Interview Room #1. The interview was in regards to R [REDACTED] witnessing portions of the Officer-Involved-Shooting (OIS) incident regarding Sergeant (SGT) ERIC GIESE of the Mount Pleasant Police Department (MPPD) and TYRESE WEST. The following is a brief summary of the interview with R [REDACTED]. Please refer to the recorded interview for complete details.

At approximately 1018 hours, Special Agent JONES and I escorted R [REDACTED] into RAPD Interview Room #1. I activated the recording equipment and verified that it was functioning. I was dressed in plain clothes with my RAPD-issued badge displayed. Special Agent JONES was dressed in plain clothes with DCI polo shirt, as well as badge displayed. It should be noted, during the morning hours of 06/15/2019, approximately 1000 hours, I had made phone contact with R [REDACTED] as she had contacted Dispatch providing possible witness information for the OIS incident documented under 19-26477. I completed a quick, partial, phone interview regarding the details R [REDACTED] wished to provide. Based on the initial interview, I set up the appointment for a complete recorded interview which was to be completed at this time.

R [REDACTED] stated she had possibly witnessed portions of the OIS incident involving MPPD SGT GIESE and TYRESE WEST, which had occurred at approximately 0130 hours on 06/15/2019. R [REDACTED] explained she is a [REDACTED] until and had been at a friend's house [REDACTED] approximately 0100 hours, on 06/15/2019. R [REDACTED] resides with [REDACTED] and did not wish to return directly home; thus, decided to take a short drive and was operating her vehicle in approximately the 2200-block/2300-block of Racine Street/Sheridan Road, at approximately 0130 hours. R [REDACTED] described her vehicle as a [REDACTED] and stated she was in the vehicle alone as the operator. As R [REDACTED] was operating her vehicle in a southbound direction, she observed red and blue flashing lights which she immediately recognized as a Police emergency vehicle lights and believed the vehicle was initiating a traffic stop; thus, pulled to the curb (approximately in the 2200/2300-block of Racine Street). R [REDACTED] did believe a second unknown white sedan-type vehicle was slightly in front of her to the south and also had pulled over to the curb, allowing the emergency vehicle to continue. As R [REDACTED] observed the emergency vehicle she identified it as a Mount Pleasant Police SUV

type vehicle (identified as a marked canine MPPD squad operated by SGT GIESE). R█████ stated she did not initially observe the reason for SGT GIESE's emergency lights to be activated but did observe SGT GIESE operating the marked MPPD squad car in a northbound direction on Sheridan Road/Racine Street, approaching 25<sup>th</sup> Street. R█████ observed SGT GIESE, with the red and blue emergency lights activated and a squad-mounted spotlight activated, then turn onto 25<sup>th</sup> Street in an eastbound direction and park the vehicle in a driveway-type approach facing southbound. At this time, R█████ observed that SGT GIESE was attempting to block the path of an unknown individual riding a bike in the street area of 25<sup>th</sup> Street in an eastbound direction.

R█████ observed SGT GIESE stop the vehicle in front of the bike and immediately observed the individual operating the bike leave the bike and begin running in a westbound direction, on 25<sup>th</sup> Street. R█████ described the individual who had been riding the bike as a younger male black wearing a white t-shirt and possibly jeans. As this was occurring, R█████ had begun operating her vehicle in a southbound direction (due to the Police vehicle turning eastbound on 25<sup>th</sup> Street) and R█████ was observing the beginning of the foot pursuit through her closed front driver's side window. R█████ was approximately even with 25<sup>th</sup> Street and operating southbound on Racine Street/Sheridan Road. As R█████ continued southbound, she utilized her rearview mirror to watch the foot pursuit and observed the male black wearing the white t-shirt and jeans (WEST) cross from 25<sup>th</sup> Street onto Sheridan Road/Racine Street, continuing to run westbound and observed what she believed to be a Police Officer with a flashlight illuminated (SGT GIESE) in pursuit of WEST, also crossing Racine Street/Sheridan Road in a westbound direction. R█████ estimated SGT GIESE to be approximately 10 feet behind WEST during the foot pursuit as she watched it in her rearview mirror and she continued southbound towards the Highway 11 intersection.

R█████ turned westbound on Highway 11 and continued for approximately 1 block before completing a U-turn in a parking lot and then traveling eastbound on Highway 11 and back onto Sheridan Road in a northbound direction. R█████ stated she was curious about what had occurred and that was the reason she turned around to check on the Officer and what had happened during the foot pursuit. As R█████ continued northbound, approaching 25<sup>th</sup> Street, she observed WEST on the ground by the fence, in the grassy area, directly west of Racine Street/Sheridan Road. R█████ observed SGT GIESE standing near WEST and "waiting for backup." R█████ believed SGT GIESE may have been communicating on his radio due to the positioning of SGT GIESE. R█████ believed SGT GIESE had taken WEST into custody and was waiting for additional units to arrive and assist. As R█████ continued past SGT GIESE and WEST, she observed red and blue emergency lights and then observed a Dodge Charger-type marked squad car approaching from the east on either 22<sup>nd</sup> Street or 23<sup>rd</sup> Street towards Racine Street. R█████ believed the responding Officer would assist with the situation; thus, continued northbound out of the area and noted that several other marked squad cars (unknown jurisdiction) were also traveling towards 25<sup>th</sup>

Street/Racine Street with their emergency lights activated.

R█████ stated her windows were rolled up on her vehicle and her music was on, and she did not see or hear any gunshots during the OIS incident. R█████ did not know that the OIS incident had occurred until the following morning after hearing about it through media coverage. Based on what she had observed, R█████ then contacted RAPD through the non-emergency Dispatch number, advising that she may have witnessed the OIS incident. The interview was ended (approximately 1042 hours) and I escorted R█████ from the Interview Room and out of the Police Department.

Please refer to all reports under 19-26477 for additional information. The investigation is ongoing at this time.

19-026477Incident Location:  
24th St/Racine St, Racine, WI, 53403Incident Date:  
06/15/2019**NARRATIVE**

On 6/15/19 I responded to the area of 24th St / Racine St in the Village of Mount Pleasant to assist with an investigation of a Mount Pleasant Police Department officer-involved shooting. Initially, I was requested to check the area for video cameras that may have captured the incident. Inv Contreras and I canvassed the area North and South of the incident for businesses with cameras. During the initial canvass, all businesses in the area were closed. We then assisted by interviewing some of the first-responding officers to the scene.

I interviewed Ofc Purtee from the Sturtevant Police Department. The interview was recorded inside of the Racine PD mobile command post. Ofc Purtee advised that her radio call number was #103, and her badge number is 0145. At the time of the Mount Pleasant radio transmission, Ofc Purtee said she was in the Village of Sturtevant, near the intersection of 90th St / Hwy 11. She heard squad 134, Mount Pleasant Sgt Giese, attempting to stop a bicycle. She then heard Sgt Giese say something to the effect of "32" or "he has a gun" and heard Sgt Giese ordering the suspect to "drop it." As Ofc Purtee responded to provide cover, she heard dispatch relay Sgt Giese's location as Hwy 32 / 24th St from dispatch.

Ofc Purtee responded to the area with her emergency lights and siren activated. When she arrived on scene, there were already four squads present. She was asked to block northbound traffic at the intersection of highways 32 and 11. Ofc Purtee did block northbound traffic for approximately 2-3 minutes. After those few minutes, a Wisconsin State Trooper arrived on scene and assumed the duty of blocking northbound traffic.

Ofc Purtee then drove to the area of the scene. She first made contact with Sgt Giese, who directed her toward the areas that she should tape off with police tape, to include the flight path and nearby areas. Sgt Giese did not make any comments about the incident to Ofc Purtee. She said that paramedics were treating the person that had been shot. Ofc Purtee then taped off the area.

I asked Ofc Purtee if she would have video footage from a squad camera or a body worn camera. She said that her squad wasn't equipped with a camera. She was wearing a body worn camera, but it was not activated.

After canvassing the area for cameras and interviewing Ofc Purtee, I returned to the Racine Police Department. I was then requested to obtain the video footage from the squad operated by Sgt Giese. I was informed that the squad

24th St/Racine St, Racine, WI, 53403Incident Date:  
06/15/2019

was located at the Mount Pleasant Police Department. I was also requested to have an evidence technician photograph the [REDACTED] uniform of Mount Pleasant PD Officer Wroblewski. I requested an evidence technician to be dispatched to the Mount Pleasant PD, and Ofc Aguilar was dispatched there to take photographs for me. When I arrived at the Mount Pleasant PD, I met with Detective Schauer. Det Schauer gave me a small envelope that was sealed with evidence tape. He informed me the envelope contained a SD card, which was removed from the recording unit in Sgt Giese's squad. Det Schauer told me the card hadn't been downloaded.

Det Schauer directed me to Mount Pleasant Ofc Riffel, who had Ofc Wroblewski's uniform in his possession. Ofc Riffel had a red biohazard bag in his hand that contained Ofc Wroblewski's [REDACTED] uniform which became stained from rendering aid at the scene. Ofc Riffel and Ofc Aguilar went into a separate room to take the photographs, and I returned to the Racine PD with the SD card and logged it into inventory. I then turned the SD card over to Special Agent Gibbs for analysis.

Inv Contreras and I then went to the businesses on Racine St where we located cameras in our earlier canvass. I learned that C & M Automotive at 2423 Racine St only had one interior camera that did not face the direction of the incident. We went to Wilson's Fish Market, 2305 Racine St, which appeared closed but had exterior cameras. The Hometown gas station, 2325 Racine St, did have cameras, but the clerk did not have the passcodes necessary to access the system. Inv Contreras left his business card with the clerk so the owner could notify us when he arrived at the gas station later that day. We also visited the Ixtapan Mexican Restaurant, 2405 Racine St, where we were also informed that staff on hand did not know how to operate the video system. Finally, I left a business card at Belle City Metal Products, where a camera appeared to directly face the area of the incident, although from some distance away.

Later on 6/15/19, Inv Contreras and I returned to the Hometown gas station to see if the owner had arrived as predicted by the clerk earlier. We were informed that the owner hadn't come in as expected.

On 6/17/19 I was able to make contact with Belle City Metal Products, and I was able to view the video surveillance. The camera faces directly south on the west side of Racine St. At approximately 1:35:18 on the video, at the top center of the video frame, a northbound squad is visible with its emergency lights activated. A bicyclist is directly ahead of the squad. Both disappear from view, as a building obstructs that angle. Moments later, sweeping light is visible on two occasions, possibly from vehicle headlights from a turning vehicle or from a flashlight from East to West (left to right on the screen). I was able to copy the video to disc. I later inventoried the video along with the audio recorded interview of Ofc Purtee.

Also on 6/17/19, Inv Contreras and I returned to the Hometown gas station,

where the same clerk was working as on 6/15. We were told that the owner wasn't in, and the clerk still had Inv Contreras' business card to contact us when they arrived. We also went to Wilson's Fish Market, which was still closed and did not appear to be open for business. We went to the Ixtapa Mexican Restaurant, where we were able to see the only working cameras they had were on the inside of the restaurant without a view of the outside.

On 6/30/19, Inv Contreras asked me to follow up with the Hometown gas station, as he still hadn't been contacted by management. I phoned the gas station, and I was told that the person that could show me the video was at the store at that time. I immediately responded to the gas station, and I was shown the video system. As of that date (6/30), the oldest video on their system that hadn't already been overwritten was from 6/17/19. Therefore, any video that did exist from 6/15/19 had already been overwritten.

On 7/2/19, Lt Wohlgemuth gave me three items of evidence. They were items #1 and #2 already inventoried in this case (MPPD body worn camera and SD card from Sgt Giese's squad). The third item was a sealed envelope with a label indicating the contents were a CD with content reports for the aforementioned items. I returned items #1 and #2 to inventory and logged the third item into our inventory system.

This concludes my involvement in this investigation to this point.

**NARRATIVE**

On 06/15/2019 I received a phone call at approximately 0450 hours from Lieutenant DAVID WOHLGEMUTH requesting my presence in regards to an Officer Involved Shooting incident that occurred in Mt. Pleasant, Wisconsin. I was asked to respond to the scene, which I was told was in the proximity of Racine Street and 24<sup>th</sup> Street.

When I arrived at the incident scene, I walked into the incident scene while crossing through yellow police caution tape. The entire incident scene was cordoned off with this incident scene tape. As I walked closer to other Law Enforcement Personnel, I noticed Law Enforcement Personnel vehicles, that being Mt. Pleasant and one Sheriff law enforcement vehicle, parked on 25<sup>th</sup> Street, facing eastbound, just east of Racine Street. I also noticed a mountain style bike and a sweatshirt near that bike near the southeast corner of 25<sup>th</sup> Street and Racine Street. As I walked westbound from the 25<sup>th</sup> Street area, I observed Law Enforcement Personnel by a deceased black male, who was later identified as

TYRESE WEST. WEST was positioned in very close proximity to a fence which ran north to south and was west of Racine Street. When I got closer to WEST, I was able to observe a firearm positioned approximately 18-24" inches away from his body. I also observed he had what appeared to be two bullet holes in his head, slightly above his left eye area. I was also able to observe a a [REDACTED] area on the left side of his chest.

I was asked to speak with Law Enforcement Personnel who had arrived at the scene after the incident and shooting had occurred. For additional information reference this incident, please see other Law Enforcement Officer's reports under this complaint number. Also, please see an additional supplement authored by me reference an interview with one of the Law Enforcement Personnel who responded to this incident scene after the shooting had occurred.

**NARRATIVE**

On 06/15/2019, I responded to the incident scene in the 25<sup>th</sup> Street/Racine Street area in Mt. Pleasant, Wisconsin reference an Officer Involved Shooting that occurred on 06/15/2019 documented under this complaint number, as well as Mt. Pleasant Police Department (MPPD) complaint #19-13059. While at the incident scene, I was asked to interview Officer (OFC) DREW WROBLEWSKI reference his account of his actions when he arrived on scene and what he had observed.

I met with OFC WROBLEWSKI and introduced myself to him at the incident scene. OFC WROBLEWSKI and I went into my vehicle where we could speak privately away from all other law enforcement officers that were at the scene. OFC WROBLEWSKI provided me with the following information reference his work shift:

He currently works for the Mt. Pleasant Police Department, his badge number is 81, his shift is from [REDACTED], and on the early morning of June 15, 2019, he was in squad #131. He was not on any medication, does not use controlled substances, and was not under the influence of any alcohol. He had excellent sleep prior to starting his shift, and up until this incident, has not had any extraordinarily stressful moments in the recent past. He has military experience and has had briefings similar to this after stressful missions or events he has been involved in while enlisted with the military.

**Racine Police Department (RAPD)****Continuation**Incident Report Number  
19-026477Incident Location:  
24th St/Racine St, Racine, WI, 53403Incident Date:  
06/15/2019

OFC WROBLEWSKI provided the following account of events:

Prior to responding to the incident scene of 25<sup>th</sup> Street and Racine Street, he was on a traffic stop in the proximity of the IHop restaurant and Planet Fitness with OFC MALCOM KELLEY, an Officer with MPPD. While on that traffic stop, OFC WROBLEWSKI recalled hearing on his radio that Sergeant (SGT) GIESE, from the MPPD, was attempting to step out with an individual near 25<sup>th</sup> Street and Racine Street. As OFC WROBLEWSKI was close to finishing his traffic stop, OFC WROBLEWSKI heard SGT GIESE call out a foot pursuit in a distressed tone over the air. OFC WROBLEWSKI then heard SGT GIESE call out "Shot's fired!". OFC WROBLEWSKI was able to issue the traffic citation and ended the traffic stop to back up and assist SGT GIESE.

While driving from the recently completed traffic stop, OFC WROBLEWSKI drove with his marked Police squad with lights and siren activated to the area of 25th Street and Racine Street. The squad car video, as well as the body camera OFC WROBLEWSKI was wearing, was never deactivated from the traffic stop; therefore any observations and actions involving him in this incident would be recorded in there entirety; including the drive from the traffic stop to the incident scene near Racine Street and 25th Street, as well as the actions OFC WROBLEWSKI took while at the scene.

OFC WROBLEWSKI traveled with due regard with emergency lights and sirens activated eastbound on Durand Avenue and then traveled northbound on Racine Street to arrive at the scene. OFC WROBLEWSKI parked his vehicle in the close proximity to the southeast corner of 25<sup>th</sup> Street and Racine Street. OFC WROBLEWSKI believed SGT GIESE was most likely eastbound of his location so he began to run on foot eastbound on 25<sup>th</sup> Street looking for SGT GIESE in an attempt to assist him. DEPUTY JACOB BAUER from the Racine County Sheriff's Department also arrived almost simultaneously with OFC WROBLEWSKI and they both began to look for SGT GIESE while running eastbound on 25<sup>th</sup> Street from Racine Street.

OFC WROBLEWSKI is not completely sure, but either heard on the air or someone yelled to him that SGT GIESE was on the west side of Racine Street. OFC WROBLEWSKI changed direction and ran in a westbound direction on 25<sup>th</sup> Street towards Racine Street and was able to eventually see SGT GIESE and OFC CODY SMITH near a black male who was positioned with his back against the fence on the west side of Racine Street, south of 25<sup>th</sup> Street. This black male was later identified as TYRESE WEST.

When OFC WROBLEWSKI got close to SGT GIESE, he observed WEST positioned with his back against the fence, his hands in hand restraints, and what appeared to be gunshot wounds to the left chest area of WEST due to the amount of blood on the shirt of WEST. OFC WROBLEWSKI never observed anyone put handcuffs on WEST, but was told by OFC SMITH that OFC SMITH handcuffed WEST. When OFC WROBLEWSKI got closer to WEST, he observed a firearm approximately two feet away from

Incident Report Number 19-026477	Incident Location: 24th St/Racine St, Racine, WI, 53403	Incident Date: 06/15/2019
<p>WEST. At no time during this incident did OFC WROBLEWSKI ever touch the firearm and he did not know if the firearm was loaded or not loaded. At some point, either before or while assessing the injuries of WEST, OFC WROBLEWSKI asked SGT GIESE if he was ok, patting SGT GIESE down looking to see if he had any injuries or bullet wounds on him. SGT GIESE appeared to have no physical injuries and told OFC WROBLEWSKI he was not injured. OFC WROBLEWSKI does not remember any specific statements made by SGT GIESE reference the shooting incident due to his concern for SGT GIESE and an elevated stress level.</p> <p>OFC WROBLEWSKI was not completely sure of when, but at some point, he did do a cursory search of the pockets of WEST while WEST had his back against the fence of where WEST was positioned when OFC WROBLEWSKI arrived on scene. While OFC WROBLEWSKI searched him, he did roll WEST over on his stomach to search his back pockets. After the search, OFC WROBLEWSKI did position WEST on his back.</p> <p>OFC WROBLEWSKI called out to someone to bring an emergency kit so he could begin to render aid on WEST. OFC WROBLEWSKI did receive a medical kit and cut the shirt of WEST to access the left chest wound of WEST. OFC WROBLEWSKI [REDACTED] into what appeared to be an open bullet wound on the left chest area of WEST. OFC WROBLEWSKI [REDACTED] bullet wound in an attempt to stop the bleeding from that area to assist and render aid to WEST. After working on the left chest wound of WEST for approximately two minutes, Rescue personnel arrived on scene. Rescue personnel handed a [REDACTED] to OFC WROBLEWSKI to place directly over the [REDACTED] that was applied to the left chest area. OFC WROBLEWSKI applied this [REDACTED] into the left chest gunshot wound of WEST. After applying this [REDACTED], Rescue personnel took over in rendering aid to WEST.</p> <p>After rescue took over in rendering aid to WEST, OFC WROBLEWSKI took SGT GIESE away from the area in which WEST was still lying. OFC WROBLEWSKI deactivated his body camera when he took SGT GIESE away from where WEST was lying. OFC WROBLEWSKI arrived at the scene after the shooting of WEST occurred and never heard or saw anyone firing any rounds at WEST. OFC WROBLEWSKI did not discharge his service weapon during the course of his involvement in this incident. OFC WROBLEWSKI believed law enforcement personnel arrived at the scene in this order:</p> <p>SGT GIESE</p> <p>OFC SMITH</p> <p>DEPUTY BAUER (almost simultaneously with OFC WROBLEWSKI)</p> <p>OFC WROBLEWSKI (almost simultaneously with DEPUTY BAUER)</p>

Incident Report Number 19-026477	Incident Location: 24th St/Racine St, Racine, WI, 53403	Incident Date: 06/15/2019
-------------------------------------	--	------------------------------

OFC KELLY

OFC LEJESKI.

I thanked OFC WROBLEWSKI for his time and his efforts during this incident and walked him to his marked squad. I instructed OFC WROBLEWSKI to turn off his squad car video recording and he did so. This ended my interview and contact with OFC WROBLEWSKI.

Days after the interview, I was able to watch and listen to the audio/video recording of the body camera that OFC WROBLEWSKI was wearing on the night of the incident. I was also able to watch and listen to the audio/video recording of the squad car OFC WROBLEWSKI was driving during the night of the incident. The events that occurred on both recording devices correspond and coincide within each other; the squad recording time being approximately 20 seconds slower than the body camera recording. The body camera captures more of the detailed events of the incident due to the fact it was on the person of OFC WROBLEWSKI and was not stationary like the squad recording.

Due to the fact the body camera records the audio/video of the actual incident scene, a general timeline of the events recorded and my interpretation of the audio recorded on the body camera of OFC WROBLEWSKI was completed. There are audio statements made by SGT GIESE that can be heard on the squad radio on the squad recording; in fact, one of those statements include SGT GIESE telling WEST to drop his gun. However, due to the fact the body camera records the audio/video of the actual shooting scene, a general timeline of the events recorded and my interpretation of the audio recorded on the body camera of OFC WROBLEWSKI was completed.

The body camera video of OFC WROBLEWSKI recorded from 00:00 minutes to 27:30 minutes. The time listed on the body camera is listed in Greenwich Mean Time (GMT), which is currently five hours ahead of central time, and was recording from 06:24:58 to 06:52:28 GMT. Therefore, the body camera footage was recording from 0124 hours to 0152 hours central time. When listening to the audio portion of the body camera footage and the audio portion of the squad car, I could not hear all audio transmissions because of background noise, radio noise, conversations, and/or siren noise. Below is a general timeline of the events recorded and my interpretation of the audio recorded on the body camera of OFC WROBLEWSKI during the incident:

00:00-10:37 (06:24:58-06:35:36 GMT): OFC WROBLEWSKI is on an unrelated traffic stop. Noted times during that traffic stop:

08:58 (06:33:56 GMT): SGT GIESE can be heard on radio calling out attempted stop of WEST

09:11 (06:34:09 GMT): SGT GIESE can be heard on radio stating he is not

sure WEST is going to stop for him

09:27 (06:34:26 GMT): SGT. GIESE can be heard on radio stating WEST is not stopping

09:46 (06:34:44 GMT): SGT GIESE can be heard on radio stating WEST is running

10:02 (06:35:01 GMT): SGT GIESE keys his mike, but can not identify an audible word or phrase

(After 10:02, there appears to be additional radio transmissions occurring, but they are inaudible due to the fact OFC WROBLEWSKI is out of his squad car, it is windy, and he is conversing with the individual involved in the unrelated traffic stop.)

10:38 (06:35:36 GMT): OFC WROBLEWSKI is done with traffic stop and back in squad car. SGT GIESE can be heard on the radio asking dispatch to send Rescue to his location.

10:39-13:14 (06:35:37-06:38:14 GMT): Traffic stop ends and OFC WROBLEWSKI drives to incident scene on Racine Street. Additional radio transmissions from various officers occur; however, some are hard to hear while the Police squad siren is activated in the squad. Noted times:

11:30 (06:36:28 GMT): SGT GIESE can be heard on radio confirming his location with dispatch and stating suspect is down

11:39 (06:36:37 GMT): Dispatch can be heard on radio confirming Rescue is on route to the location of SGT GIESE

11:46 (06:36:45 GMT): Dispatch can be heard on radio confirming there is one down, shots fired, and suspect is not breathing

13:06 (06:38:05 GMT): SGT GIESE can be heard on radio requesting a supervisor to the scene

13:12 (06:38:11 GMT): SGT GIESE can be heard on radio stating he is back over here

13:15-13:46 (06:38:13-06:38:46 GMT): OFC WROBLEWSKI arrives at incident scene, exits squad, and begins to run eastbound on 25th Street from Racine Street past the bicycle of WEST while accompanied by DEPUTY BAUER.

13:47-14:16 (06:38:46-06:39:14 GMT): OFC WROBLEWSKI changes direction and begins to run to west side of Racine Street. Noted time:

On 6/15/19 at 0139 hours, I, Officer Lauer was dispatched with Officer Kuiper to the area of 25th and Racine St in reference to an Assist OJ involving an Officer involved shooting.

Upon arrival I spoke to a Mount Pleasant Officer who stated they were good at this location. Myself and Officer Kuiper then responded to the area of 23rd and Racine St to assist with a perimeter. Kuiper and I, along with Officer Thill, set an outer perimeter at 23rd and Racine St. Kuiper and I were then requested by Sgt. Bebow to relieve Officer Rybarik at 24th and Mead and maintain a perimeter there.

A short time later Sgt. Ide requested I respond to the command post to assist with evidence search. Kuiper maintained a perimeter at 24th and Mead. While searching for evidence with Officer Neubauer I utilized the departments metal detector and preformed a search of the grass in the vicinity of the deceased (approx. 20 foot radius). While searching I was able to locate a spent shell casing as well as a spent Taser probe. A placard was placed by each item and Evidence Technician Prudhom was made aware of the findings.

After searching for evidence I continued to maintain a perimeter with Kuiper. At 1100 hours my perimeter spot was opened up.

**NARRATIVE**

On 06/15/2019 at approx. 0450 hrs., I was assigned by Lt. D. Wohlgemuth as a Major Crime Technician in assisting Mt. Pleasant P.D. in a shooting incident in the 2500 blk. of Racine St.. Sgt. E. Ide, and Sgt. R. Thilleman were present at the scene. Inv. K. Kupper also responded to the scene. Criminalist D. Prudhom, and Criminalist T. Hoover processed the scene, with Officer T. Lauer and myself assisting.

I assisted Criminalist Prudhom who photographed the scene, and Criminalist Hoover who collected evidence at the scene. A male black, unknown at the time of this report, was deceased at the scene. The male black was lying face up against a fence, with his head south of his body. I observed a handgun just east of the male black. Three casings were located in the grass just east of the male black, and a deployed Taser was in the grass northeast of the male black.

See related photographs, and related reports for further details.

I also took overall photographs of the location of the scene on 06/16/2019 at approx. 0125 hrs., per Inv. K. Kupper's request. It should be noted that there was a street light on at the southeast corner of Racine St. & 24th St., and a light on a wood pole ( adjacent to the factory) just west of the incident location in the 2400 / 2500 Blk. of Racine St..

**NARRATIVE**

On Saturday 06/15/2019 at about 04:20Hrs I was contacted at home by Lt D. Wohlgemuth requesting that I assist with the processing of Scene as an Evidence Technician with the Major Crimes Unit.

Lt Wohlgemuth advised me that a Mount Pleasant Police Department Officer used deadly force that resulted in a death and the incident would be investigated by the Racine Police Department Major Crimes Unit. I also learned that the incident occurred at about 01:39Hrs and the body was still on the scene.

I first responded to the PD where I met with Criminalist Hoover and was informed that Major Crimes ET Neubauer was already on the scene. I was asked to respond to the scene quickly as a Mount Pleasant Fire Department Ladder Truck was on scene and it could be used from aerial photos. I also learned that WSP Trooper M. Smith would be on scene with a Total Station mapping the entire scene.

Upon arrival to the scene I observed that Racine Street/Sheridan Road (STH 32) was blocked off from 23rd Street to Durand Avenue with marked squads and Police tape. Upon entering the scene I made contact with Sgt BeBow. Sgt BeBow provided me with some information in reference to incident and directed me to the location of ET Neubauer on the west side of Sheridan Road along the fence line of 2400 Racine Street (STH 32).

06/15/2019

ET Neubauer pointed out items of evidence located along the fence line. I then climbed onto a South Shore Ladder Truck's extended ladder to take aerial photos of the scene immediately around the body.

I next took overall ground level photos of the scene. Evidence placards were then placed near the items of evidence that had already been located and additional overall photos were taken.

The items placarded included

Placard 1) MPPD X26 Taser  
Placard 2) Taser wires  
Placard 3) Speer brand 45 Auto spent casing  
Placard 4) SCCY brand CPX-2 9mm Semiauto handgun Ser: 396498  
Placard 5) Location of the head of the body  
Placard 6) MPPD Medical kit

Items later located and placarded included

Placard 7) Speer brand 45 Auto spent casing  
Placard 8) Taser probe and wire  
Placard 9) Black in color hooded sweatshirt  
Placard 10) Speer brand 45 Auto spent casing  
Placard 11) Taser blast door  
Placard 12) Taser blast door  
Placard 13) Taser AFID

I then began to take close up photos of the items that needed to be collected. Criminalist Hoover then collected the items and I took additional close up photos of the items.

I then went to the start of the scene on 25th Street east of STH32. Mount Pleasant Police squad 128 was positioned between STH32 and Mead Street facing east near a MGA 21 Speed bicycle and a sweat shirt.

I photographed the location of the squad, bicycle and sweatshirt and then the interior of the squad.

I placed evidence placard 9 next to the sweatshirt and again photographed the sweatshirt.

After the items were mapped by Trooper Smith and photographed by me they were collected by Criminalist Hoover. The items were then secured in the Major Crimes Van (U10).

At about 11:53Hrs we assisted in removing the crime scene tape and releasing

the scene and then returned to the PD. I uploaded my photos into the Digital Image Management System and made arrangements to attend the Post Mortem Exam on 06/17/2019.

I then learned that there was some uncertainty as to the identity of the deceased. Criminalist Hoover went to the Milwaukee County Medical Examiner's Office and obtained a set of fingerprints from the deceased.

Criminalist Hoover provided me with two fingerprint Retabs stickers containing 2 partial inked fingerprints. Criminalist Hoover explained that the inked fingerprints were from the Right Thumb and Right Index fingerprint of the deceased person in this case.

I examined the ridge detail in the submitted inked prints and determined that both partial fingerprints contained sufficient detail for identification. I submitted the 2 partial prints to the Automated Fingerprint Identification System (AFIS) to search for potential matches.

**AFIS Results for print 1-1:** Of the 20 candidates returned, I determined a match between the print of candidate #1 and the submitted print. The matching print was that of the candidate assigned State ID number [REDACTED]. From the online Department of Justice (DOJ), Morpho Archive and Retrieval System, (MARS), I printed a hard copy of the State fingerprint record from ID number [REDACTED] assigned to Tyrese D West [REDACTED].

**Latent to Known Comparison Results:** Performing a side-by-side magnified comparison between the submitted inked fingerprint and print record, I determined that the prints match to the Right Thumb print by no less than 25 ridge events (identification points).

**AFIS Results for print 2-1:** Of the 20 candidates returned, I determined a Hit between the print of candidate #1 and the submitted print. The print was that of the candidate assigned State ID number [REDACTED].

I confirmed the AFIS Hit on submitted print 2-1 but did not conduct a side by side comparisons as Print 1-1 and 2-1 came from the same hand and Hit to the same SID number.

Following my match determination, I forwarded the compared documents to Racine PD Criminalist T. Hoover for peer review/verification. Hoover's results are documented in a separate report under this same case number.

I created a Racine Police Department Latent Fingerprint Case Envelope and placed the inked fingerprints, a hard copy of the AFIS comparison screen and the hard copy of State fingerprint record in the envelope.

The case envelope will remain stored in the Racine PD ID Unit latent

fingerprint files, available for future examinations.

On 06/17/2019 I attended the Post Mortem Exam of Tyrese West at the Milwaukee Co. Medical Examiners' Office. The exam was conducted by Dr J. Lelinski. During the exam I photographed the injuries sustained to Tyrese West, these injuries included two apparent gunshot wounds to the forehead area and an apparent gunshot wound to the left side of his chest near the shoulder.

Dr Lelinski indicated that the wound to the chest [REDACTED] did not cause grave injury. No projectile was recovered from this injury.

The two apparent gunshot wounds to the left side of the forehead both appeared to be traveling downward.

One deformed fired bullet was recovered from the neck area.

One deformed bullet was recovered from the left cheek area.

One bullet fragment was recovered from the left side of the face during the exam.

The following items of evidence were turned over to me after the Post Mortem Exam. After being allowed to dry the items of clothing were photographed and all evidence was inventoried in the BEAST Inventory System.

**NARRATIVE**

On 06/15/19 at approximately 01:39 hrs I, Officer Thill, was dispatched to 24th St and Racine St to assist MPPD officers with an officer involved shooting that had just occurred. I activated my emergency lights and sirens and made the scene. Once on scene I was instructed to block south bound traffic on Racine St from 23rd St. I positioned my squad car with my emergency lights activated to block south bound traffic. I then taped off the area I was blocking with crime scene tape. I taped from the south west corner of Racine/23rd, across the intersection and to the old Wilson's Fish Market on the south east corner. I also set up traffic cones and road flares to help divert traffic. I was then relieved of my position by an MPPD officer and was told to make the direct scene by Sgt. Bebow. I was then instructed to log everyone who entered the scene. I completed the Crime Scene Admittance Log. I was dismissed from the scene at approximately 0800 hrs.

**Cross reference:** Mount Pleasant Police Department complaint number 19-13059

This report supplements incident report #19-26477 with the Racine Police Department. It should also be cross-referenced with Mount Pleasant Police Department complaint number 19-13059.

On 06/15/2019, I was contacted by Lieutenant DAVID WOHLGEMUTH to respond to the area of 25<sup>th</sup> Street and Racine Street in Mount Pleasant to assist as part of the Major Crimes Unit with an Officer-Involved-Shooting. I was advised an Officer from the Mount Pleasant Police Department was involved. I was also asked to pick-up the Mobile Command Post at the Racine impound lot.

I responded to the impound lot and then drove the Mobile Command Post to the corner of 24<sup>th</sup> Street and Racine Street. At that location, I was met by Sergeant JEFFREY BEBOW and Sergeant EDWARD IDE.

All mentioned parties were identified via Wisconsin Department of Transportation records, Phoenix and/or verbally. No parties were taken into custody. The suspect during the Officer-Involved-Shooting was later identified as TYRESE WEST.

**NARRATIVE**

On 06/15/2019, I was contacted by Lieutenant (LT) DAVID WOHLGEMUTH to respond to the scene of an Officer-Involved Shooting (OIS) near the location of 25<sup>th</sup> Street and Racine Street. I was also advised that the Officer involved was a Mount Pleasant Police Department (MPPD) Officer. I was further advised that the suspect was deceased. LT WOHLGEMUTH asked that I retrieve the Mobile Command Post and bring it to the scene.

I then responded to the Racine Police Department (RAPD) impound lot and then responded to the scene with the Mobile Command Post. I initially parked the Mobile Command Post at 24<sup>th</sup> Street and Racine Street, but later moved the Command Post to approximately the 2700-block of Sheridan Road in order to block the scene from any sort of media coverage, to be respectful to the suspect.

Upon arrival to the scene, I was met by Sergeant (SGT) JEFFREY BEBOW who advised me that SGT EDWARD IDE, who was also part of the Major Crime Unit, was already on-scene. I then assisted SGT IDE with taking control of the scene from the MPPD. As I got closer to where the incident took place, I made contact with Investigator (INV) DANIEL SCHAUER from the MPPD who advised me that Officer (OFC) PHILLIP PATEK, badge #77, was doing a crime scene log near where the body of the suspect was lying. After taking control of the scene, I replaced OFC PATEK with OFC BENNETT THILL from the RAPD and assigned him the duties of controlling the crime scene log for that location.

As Racine Investigators arrived on-scene, I advised members of the MPPD who were on-scene to rally towards the south end of the scene near the Mobile Command Post in order to be interviewed by Racine Investigators. The MPPD members were interviewed by several RAPD Investigators one-by-one and these interviews can be reviewed through these other Officers' reports. A short time later, Criminalist (CRMLST) DONALD PRUDHOM and CRMLST TODD HOOVER arrived on-scene and began processing the crime scene. Investigators from the Wisconsin Department of Criminal Investigations arrived on-scene to assist as well.

Medical Examiner MICHAEL PAYNE arrived on-scene a short time later, as well as a transport vehicle. After TYRESE WEST was removed from the scene, we began to do a walk-through of the area to make sure we did not miss anything.

We were contacted by INV KEVIN KUPPER to see if we could locate a cell phone in the area which may have belonged to TYRESE WEST. During the walk-through of

Incident Date:

06/15/2019

the area, I located a small green piece of plastic which I recognized as a blast door from a Taser cartridge. This single blast door was located on the sidewalk just off the grass, approximately what appeared to me to be about 15 to 20 yards from where TYRESE WEST's body was and was directly in the flight path of where the original stop was attempted in the area of 25<sup>th</sup> Street and Racine Street. After discovering this blast door, myself, SGT IDE, CRMLST HOOVER and CRMLST PRUDHOM, along with OFC GARY NEUBAUER, attempted to locate the other blast door, as well as possibly locate any aphids, which are identifying pieces within the Taser cartridge, specific to those cartridges, in the area. After some more searching, the other blast door and aphid was located by SGT IDE. See SGT IDE's report for further details. The mentioned items were photographed and collected by CRMLST PRUDHOM and CRMLST HOOVER.

A Milwaukee canine was contacted and sent to the scene which was experienced and specialized in locating items with gunpowder residue on them. This canine arrived on-scene, searched the area, but did not find anything of evidentiary value. Once the canine concluded its search, we released the scene.

I then returned the Mobile Command Post to the Racine impound lot. See other Officers' reports for further details.

Incident Report Number

19-026477

Incident Location:

24th St/Racine St, Racine, WI, 53403

Incident Date:

06/15/2019

**NARRATIVE**

As part of my assignment to the investigation into the officer involved shooting death, I was assigned to interview several of the Mount Pleasant Police Officers who responded to the scene at the time of the incident.

One of the officers I interviewed was identified as OFC. MALCOM KELLY. The interview with OFC. KELLY was conducted on scene in the Racine PD Command Post. OFC. KELLY told me that he is assigned to the COP Unit, [REDACTED]

[REDACTED], however on the night of this incident, he was assigned an overtime patrol assignment [REDACTED] [REDACTED], and he was operating squad car #139.

OFC. KELLY stated that at the time of the incident, he was covering another officer (OFC. WROBLEWSKI) on a traffic stop in the parking lot of Regency Mall. OFC. KELLY told me that he recalled hearing partial radio transmissions from SGT. GIESE with one requesting "send me additional". OFC. KELLY advised me that he heard SGT. GIESE on the radio at one time say "stop", and then he recalled hearing the dispatchers calling GIESE on the radio with no reply. OFC. KELLY told me he was going to respond 10-39 (lights and siren), so he asked for the location and was told 24th and Racine Street. OFC. KELLY stated that while enroute, he heard SGT. GIESE call out "shots fired, send rescue and supervisors". OFC. KELLY told me that he believed he was about the fifth squad to arrive on scene, and that when he arrived, he stopped near where he saw SGT. GIESE and OFC. SMITH, and parked his squad car blocking a traffic lane with the squad facing the grassy area to the west of Racine St.

OFC. KELLY stated that when he approached the officers, he asked SGT. GIESE if he was okay and then he saw that OFC. WROBLEWSKI was administering aid to the victim, so he went back to his squad car to secure the scene with flares and crime scene tape. He also stated that he did recall asking for OFC. PATEK who is an evidence technician to come to the scene to begin taking photographs. OFC. KELLY secured the scene, and only approached the victim area with OFC. PATEK as he was taking photographs.

I asked OFC. KELLY if he was wearing a body cam during this incident, and if he was, was it working and he told me that he did not have one on during this shift as it is not a mandatory wear policy.

Investigation to continue.

**NARRATIVE**

As part of my assignment reference the investigation into the officer involved shooting death, I was assigned to interview several of the Mount Pleasant Police Officers who responded to the scene at the time of the incident.

One of the officers I interviewed was identified as OFC. PHILLIP PATEK #77. The interview with OFC. PATEK was conducted on scene in the Racine PD Command Post. OFC. PATEK told me that he works [REDACTED]

[REDACTED]. I asked OFC. PATEK if he was wearing a department issued body camera, and he advised me that he did not have one on during this shift as they are optional to wear.

During my interview with OFC. PATEK, he advised me that when he heard SGT. GIESE call out with the person on a bike, he (OFC. PATEK) was just clearing an accident call in the 8000 block of Washington Avenue. I asked what he could recall as far as radio communications, and he told me that he heard SGT. GIESE call out that he was trying to stop someone on a bike near Hwy 32 (Sheridan Rd/Racine St. and 25th Street), and he believed he heard SGT. GIESE advised the person was not stopping. OFC. PATEK then told me that he recalled hearing dispatchers ask if SGT. GIESE was in a 10-80 (pursuit) with a bike. OFC. PATEK stated that after this he recalled hearing yelling on the radio that the suspect was running, at which time he (OFC. PATEK) started to respond 10-39 (lights and siren). OFC. PATEK took Oakes Road to Durand Avenue, then Durand Avenue to Hwy 32, to the scene. OFC. PATEK stated that while responding, he recalled hearing SGT. GIESE on the radio yell out "drop the gun!" or "drop the fucking gun!"

Upon his arrival at the scene, OFC. PATEK parked off to the right and south of the scene, and he advised me that he believed his in squad dash camera was working. OFC. PATEK advised that after he exited his car, OFC. CODY SMITH flashed his light at him and he (OFC. PATEK) responded to that area. OFC. PATEK told me that when he arrived at the location where the suspect was down, he observed SGT. GIESE, OFC. SMITH, RCSO Deputy BAUER and OFC. WROBLEWSKI already present. OFC. PATEK advised that he observed the suspect on the ground with OFC. WROBLEWSKI attempting first aid by putting a chest seal on what appeared to be an injury to the upper left side of the suspect's chest. OFC. PATEK stated it was at this point where he observed a firearm on the ground pointed in his direction, within "an arms length" of the suspect. OFC. PATEK also observed that SGT. GIESE'S taser was on the ground with the light on, and

he described this location as approximately 12 feet away to the north of the suspect, and it appeared as if the wires were running towards the suspect, but he could not see if they were connected to the suspect. OFC. PATEK told me that someone told him to grab his camera and start taking photos which is what he did. I asked if he heard SGT. GIESE make any statements at the scene, and OFC. PATEK stated he thought he heard someone make a statement reference the suspect having a gun and not dropping it. OFC. PATEK advised me that officers were checking the suspect for some form of identification, at which time he (OFC. PATEK) went over near where the suspect's bicycle was to take photos, at which time he checked a sweatshirt that was laying near the bike for identification, however nobody could locate anything to identify the suspect.

As additional officers and investigator's arrived, OFC. PATEK was assigned to maintain a scene log of those entering and exiting the scene until he was relieved by RAPD Officer THILL. OFC. PATEK turned over his scene log to me at the end of the interview. This log will be entered as evidence into the Racine Police Department's BEAST evidence control system.

Investigation to continue.

**NARRATIVE**

On 06/15/2019 at approximately 0446 hours I, Investigator (INV) DAVID DERKS was contacted by phone by Lieutenant (LT) DAVID WOHLGEMUTH who indicated that Major Crimes was being activated. LT WOHLGEMUTH indicated that a Mt. Pleasant Police Department (MPPD) Officer was involved in a shooting and as a result of this shooting one individual was deceased, and that we were assisting in the

investigation.

I responded to the Racine Police Department (RPD) and upon my arrival I was advised by LT WOHLGEMUTH that INV KEVIN KUPPER would be lead investigator and that I, INV NICHOLAS CONTRERAS, INV JOSH LAFORGE, INV KEVIN KLINKHAMMER, and INV DANIEL LANGENDORF would be assisting. He also advised that the Department of Criminal Investigation was en route to also assist in the investigation. LT WOHLGEMUTH indicated that from what he knew, Sergeant (SGT) ERIC GIESE of the MPPD attempted to stop an individual on a bicycle in the area of the 2500 block of Racine Street, and that a foot pursuit ensued. Less lethal measures were taken, being a Taser was fired, but was ineffective, and that during the incident a handgun was produced by the suspect, where then SGT GIESE ended up shooting the suspect, and that the individual was deceased and still on scene.

LT WOHLGEMUTH indicated that SGT GIESE was in the old break room by dispatch. I observed that there were multiple Command Staff Officers and Mt. Pleasant Officers in this room, along with Criminalist (CRMLST) TODD HOOVER taking photographs of what SGT GIESE was wearing, as well as his duty weapon and duty belt.

A short time after my arrival, INV KUPPER arrived at RPD. It was determined that no one had asked SGT GIESE the seven public safety questions to assist in the investigation. At this time INV KUPPER entered into the break room and was present when LT WOHLGEMUTH asked SGT GIESE these seven questions. I was not in the room when these questions were asked of SGT GIESE.

After the seven questions were asked of SGT GIESE, INV KUPPER and I responded to the 2400/2500 block of Racine Street. It should be noted that it was requested that INV LAFORGE and INV CONTRERAS start searching for any video and/or witnesses around the area. We learned that INV KLINKHAMMER and INV LANGENDORF were already on scene.

Upon arrival we spoke with SGT JEFFREY BEBOW, who was present on scene. He pointed out where SGT GIESE's K-9 vehicle was parked in the roadway at an angle on 25<sup>th</sup> Street, just east of Racine Street. Approximately 10 feet from that to the west was a bicycle, and another approximate 10 feet to the west of the bike, was a black hooded sweatshirt. SGT BEBOW indicated that based upon his information, SGT GIESE attempted to make contact with an individual on the bicycle and that the individual took off running westbound on 25<sup>th</sup> Street. SGT GIESE gave chase on foot and based upon evidence at the scene, attempted to deploy his Taser but was ineffective. During this foot pursuit and attempting to detain this individual, the individual had a gun and at some point during the struggle, SGT GIESE shot the individual.

INV KUPPER advised that it appeared SGT GIESE had shot three times based on rounds remaining in his duty gun and additional magazines.

06/15/2019

SGT BEBOW pointed out that over in the 2500 block of Racine Street, along the west fence line, in a grassy area, was a black male who was later identified as TYRESE WEST. SGT BEBOW indicated that there was a handgun within arms reach of where WEST's body was.

Upon walking over to the 2500 block of Racine Street in the grassy area, CRMLST DONALD PRUDHOM and Officer (OFC) TODD LAUER along with OFC GARY NEUBAUER were already photographing, marking, and searching for casings in the grass area. I did observe a handgun lying in the grass area within arm's reach of where WEST's body was lying. I did observe what appeared to be two bullet wounds to the forehead area on the left side, just above WEST's eye, as well as what appeared to be a [REDACTED] over the left side of the chest area of WEST. This appeared to be a [REDACTED] as someone must have rendered aid. Also in the grassy area was a Taser and taser wires.

At this time I learned that INV KLINKHAMMER and INV CONTRERAS were interviewing Officers in the command post vehicle that had already been set up to the south of the scene. I did go to this command post and I did sit in on two of the interviews conducted by INV KLINKHAMMER. These interviews were with MPPD OFC CODY SMITH and MPPD OFC JAMES KELLEY. For details of these interviews see INV KLINKHAMMER's report.

After sitting in on two of the interviews, I did respond to where CRMLST HOOVER had recovered SGT GIESE's Taser and placed it in a brown paper bag. I took possession of this bag and Taser and advised that I would have it downloaded. It should be noted that I needed to use MPPD's equipment to have this Taser downloaded as it was a different style than RPD carries. The Taser in which SGT GIESE carried was a Taser X26 and the serial number on it was [REDACTED]. I did eventually respond to MPPD where SGT JASON VACCARO did download SGT GIESE's Taser and did provide me with a report of all of the tests, fires, and syncing, which is the downloading of the Taser going back to 11/12/2012. In looking at the most recent activity it did show that the Taser was tested on 06/14/2019 at a time indicated of 2222 hours. It then also showed it being fired on 06/15/2019 at a time of 0157 hours. It then showed the time in which SGT VACCARO did the synch or download of it and showed that the actual time for the download was 06/15/2019 at 0829 hours and that the Taser showed a time of 0852 hours. This indicates that the Taser was off by approximately 23 minutes (fast). This time difference is explained in that the Tasers only re-syncs themselves when they are downloaded and with not being downloaded for a long period of time, the times are off. In looking back through this report it shows that the last time SGT GIESE did a sync on his Taser was on 08/10/2017, where at that time it was off and reset itself to the correct time. This was further clarified when another download was done later in the day at approximately 1208 hours and at that time it showed the Taser time to be correct at 1208 hours as it had corrected itself when SGT VACCARO conducted the synch earlier in the morning. All handling of SGT. GIESE Taser was done with

protective gloves. This Taser along with the brown bag was turned back over to CRM HOOVER to be inventoried.

INV. DAN SCHAUER of MPPD conducted an ATF gun trace on the handgun that WEST had and was recovered at the scene. This handgun was a SCCY INDUSTRIES model CPX-2 9MM semi-auto handgun. This handgun was sold in Milwaukee from Shorty's Shooting Sports on [REDACTED] to E [REDACTED] F [REDACTED] [REDACTED]. This gun was not reported as stolen.

After the scene was processed by evidence technicians, and after the Taser download, I did respond to RPD dispatch and did obtain SGT GEIESE's radio transmissions. These transmissions will be documented in a separate report. Officers from MPPD initially identified WEST as [REDACTED], but it was learned that it was not [REDACTED] when contact was made with his family. Identification of WEST was made based on fingerprints being submitted into AFIS and identification of WEST. Notification to MONIQUE WEST (his mother) was made at approximately 1730 hours by SGT LENNOT WEBB, INV KUPPER, Chaplin WOODS, and myself, at her residence.

On 06/17/2019 INV KUPPER, Deputy District Attorney DIRK JENSEN CRMLST PRUDHOM, and myself attended the autopsy of WEST at the Milwaukee County Medical Examiner's (ME) Office. This autopsy was conducted by Doctor (DR) JESSICA LELINSKI of the ME's Office. During the autopsy I did observe that WEST had on black shoes and socks, black underwear, a white T-shirt, a black knit headband, and a black knit hat. I observed during the autopsy that it appeared he was shot in top of his left shoulder, which then exited by the collar bone, entered back into the pectoral area, and exited. I was told by the doctor that none of these wounds entered into the chest cavity and were just on the surface. I also observed that he had two bullet holes to his head, just above the left eye, in the forehead area. DR LELINSKI indicated that the projectiles were recovered, one in the neck area around the Adam's apple, and the other in the left jaw area. Both shots that struck WEST's head went through the knit hat. DR LELINSKI indicated that the shots were fired from an intermediate range, as there was no charring or soot that would indicate that it was at close range.

DR LELINSKI indicated that there were no other signs of injury to WEST's body.

Photographs were taken by CRMLST PRUDHOM as well as by DR LELINSKI. CRMLST PRUDHOM also recovered the two projectiles that were recovered from the mouth and neck area of WEST. For complete details see DR LELINSKI's autopsy report.

Investigation to continue.

**SUMMARY**

This report supplements the incident report under this complaint number.

On 6/15/2019, I was contacted by Sgt. BEBOW requesting that we investigate the MPPD OIS at 25th/Racine (STH 32). I activated Major Crimes and coordinated the calling in of investigators and evidence technicians. I also administered the public safety statement questions to Sgt. GIESE (MPPD).

On 7/2/2019, I signed for receipt of property from DCI Special Agent GIBBS and turned it over to Inv. LAFORGE for inventory.

Incident Location:

24th St/Racine St, Racine, WI, 53403

Incident Date:

06/15/2019

West, Tyrese Davion

On 06/15/2019, at about 0320 hours, I was contacted by Sgt. JEFF BEBOW advising me that Mount Pleasant Police Department was requesting that our department investigate a fatal officer involved shooting incident involving one of their officers, Sgt. ERIC GIESE, and which occurred in their jurisdiction at or near 25th Street and Racine Street (STH 32). I advised Sgt. BEBOW that I would be activating our Major Crimes Squad and calling in investigators and evidence technicians.

Later that morning, I was advised that Sgt. GIESE had not been asked any of the questions relating to the public safety statement (RPD Policy & Procedure 615). I then read the seven questions from our department policy and procedure 615 - Critical Incident Response - as follows:

Question one, "Are you injured? Are you aware of any other individual(s) who may be injured? If so, where are the injured individual(s) located?"

Question two, "Did you discharge your weapon? Are you aware of whether any other member discharged a weapon?"

Question three, "Did any suspect possess or discharge a weapon? If so, are you aware of the location of any such weapon?"

Question four, "Other than your own weapon, are you aware of any other weapons that need to be secured? If so, where are they located?"

Question five, "Are there any outstanding suspects? Where are they located? If they have fled the scene, will you please provide a description of their appearance, their mode of travel and the location in which they are headed? How long has it been since they left the scene?"

Question six, "Are you aware of any witnesses to the CRITICAL INCIDENT? If so, will you please provide a description of the witnesses and their location?"

Wohlgemuth, David J.

**NARRATIVE**

As part of being assigned to assist with the investigation into the officer involved shooting of TYRESE WEST, I was tasked with interviewing several of the MPPD officers who were on scene after the shooting occurred. One of those officers was identified as CODY SMITH, who reported being the first officer on scene after SGT. GIESE called out the shots fired. During this interview, I learned that OFC. SMITH was wearing a body worn camera, and he had this camera activated upon his arrival on scene. The following will serve as a timeline of this body camera footage.

The footage of the body camera was provided to me by INV. KEVIN KUPPER for review. Upon playing the video, there is a date and time stamp in the upper left corner of the screen that reads "2019/06/15 06:37:34 GMT+D" which shows the date and time of the incident, however the time stamp (06:37:34) is in "GMT" which is considered "Greenwich Mean Time" and the "+D" would show that it is "daylight savings time". Ultimately, this would show that the actual time in the Central time zone would be five hours less, or 01:37:34. There is also a number identifier below this stamp "LE5-016700", which would be the body cam serial number for that specific unit. While hovering over the screen, another time/date stamp shows up on the bottom left corner that reads "2019-06-15\_06-37-33Smith". This again shows the date and time (in GMT), and "Smith" for the officer wearing this specific camera.

When the camera is activated, it is recording OFC. SMITH running towards the scene where SGT. GIESE and WEST are located.

06:37:34 - OFC. SMITH activates the body worn camera.

06:37:37 - OFC. SMITH arrives at scene of SGT. GIESE and asks "you good?"

06:37:39 - SGT. GIESE replies "I'm good" and then points out the firearm to OFC. SMITH, and SGT. GIESE makes a statement about "kept keeping on going for it".

06:37:52 - SGT. GIESE requests OFC. SMITH to handcuff WEST

06:38:33 - OFC. SMITH puts on gloves and handcuffs WEST in the front of his (WEST'S) body.

06:38:45 - OFC. SMITH and SGT. GIESE discuss getting a camera and "stop everything and freeze it right here".

06:38:59 - SGT. GIESE tells OFC. SMITH to "stay right here" and SGT. GIESE then walks to the east to grab his phone. SGT. GIESE also mentions where his keys

are, stating he "dropped when he was going for his" (sound fades out).

06:39:11 - As MPPD OFC. DREW WROBLEWSKI is approaching scene on foot, he passes SGT. GIESE who points out WEST and where the gun is. OFC. SMITH repeats "the guns right here".

06:39:18 - OFC. WROBLEWSKI arrives at OFC. SMITH and WEST on foot with RCSO Deputy JACOB BAUER arriving as well.

06:39:44 - OFC. SMITH'S camera shows WEST'S firearm on the ground near WEST.

06:40:09 - OFC. WROBLEWSKI kneels down to search WEST.

06:40:50 - MPPD OFC. PHILLIP PATEK arrives on scene and walks towards other officers already on scene and WEST, and asks "what do we got?"

06:41:01: OFC. PATEK approaches OFC. WROBLEWSKI and OFC. WROBLEWSKI points out the gun on the ground and OFC. PATEK states "we're not touching shit!"

06:41:05 - SGT. GIESE returns to scene on cell phone, and OFC. SMITH states "just take some photos".

06:41:10 - SGT. GIESE tells someone on scene to get a tarp to cover stuff up.

06:41:31 - OFC. WROBLEWSKI asks SGT. GIESE if he is okay and gives a quick check for injury.

06:41:48 - SGT. GIESE leans over firearm and states "is that a real fucking gun?" All four officers on scene look at firearm near WEST and state it is real.

06:41:59 - A statement is made to not "touch shit!"

06:42:02 - SGT. GIESE asks to search suspect to see who he is.

06:42:06 - OFC. WROBLEWSKI bends down to start searching WEST

06:42:27 - SGT. GIESE makes statements about what happened, "I got him down, he tried tossing it, I was fucking stepping on his fucking hand right here and he fucking, then he kept on moving towards it, and then he moves past it as he was moving back, then I stepped and I told him, I said "I'm gonna fucking shoot you! I'm gonna fucking shoot you! And fucking he didn't, he didn't fucking listen, he wouldn't fucking stand still!"

06:42:50 - OFC. SMITH asks SGT. GIESE if he wants to sit down in a squad and GIESE says he's good.

06:43:08 - Dispatch advised SGT GIESE that Rescue was enroute.

06:43:33 - SGT. GIESE asks OFC. PATEK if he has a camera and requests that he start taking photos. This is repeated by OFC. SMITH.

06:43:54 - OFC. SMITH walks back towards WEST and points out to unknown officer "gun's right here".

06:43:58 - Unknown Officer asks SGT. GIESE "find your shells yet?" and SGT. GIESE replies "no I did not find my shells yet".

06:44:31 - OFC. WROBLEWSKI asks OFC. SMITH to get an "aid kit". OFC. SMITH goes to a squad parked nearby and gets a first aid kit.

06:45:05 - OFC. SMITH returns to scene with kit and gives it to OFC. WROBLEWSKI

06:45:37 - Fire engines arrive on scene

06:46:13 - First rescue worker arrives at WEST.

06:46:30 - SGT. GIESE advised that he (WEST) has a jacket over there (points to the east), and requests it be checked.

06:46:54 - Appears as if OFC. SMITH had stepped on taser wires and reaches down to make sure they are not on his shoe, then advises another officer or fire

personnel that there were wires there.

06:46:57 - OFC. SMITH advises SGT. GIESE that he is going to check the jacket and he (SMITH) walks to the sweatshirt at the initial stop location.

06:47:43 - OFC. SMITH arrives at location of sweatshirt and picks it off of ground to check it as MPPD OFC. LODYGOWSKI arrives. OFC. LODYGOWSKI advises not to touch anything until photos and OFC. SMITH advises he wanted to check for "weapons or anything", then puts the sweatshirt back on the ground where it was.

06:48:18 - OFC. SMITH points out the jacket and bike to OFC. PATEK and OFC. KELLY. OFC. PATEK starts photos.

06:49:48 - OFC. SMITH returns to location of WEST and SGT. GIESE asks if there was id in the jacket. OFC. SMITH asks about getting a "fast id".

06:50:40 - OFC. SMITH returns to location of jacket and asks OFC. PATEK if he has gotten photos of it.

06:50:54 - OFC. PATEK pats down jacket on the ground and says nothing inside of it. OFC. SMITH says someone may need to "get that" (fast id).

06:51:16 - OFC. SMITH requests that one of the officers call another officer who is starting at 2am and ask him to bring the fast id.

06:52:26 - OFC. SMITH deactivates his body worn camera stating "ending contact confer with officers".

No additional body worn camera footage for OFC. SMITH.

End of review. Investigation to continue.

Incident Report Number

19-026477

Incident Location:

24th St/Racine St, Racine, WI, 53403

Incident Date:

06/15/2019

The first person I interviewed was OFFICER CODY SMITH who was the first officer on scene after the shooting happened. The following is a summary of this interview.

Officer SMITH advised me that he is assigned to work [REDACTED]. SMITH was working [REDACTED]. SMITH advised me that he was in the area of Chicory Road and Lathrop Avenue when he first heard SGT. GIESE call out on the radio that he was stepping out with a man on a bike in the area of 25th and Racine Street. SMITH said that he then heard SGT. GIESE on the radio say something similar to it doesn't look like he's going to stop, at which point he (OFC. SMITH) started to head into the direction of SGT. GIESE. OFC. SMITH told me that while driving towards SGT. GIESE'S location, he could hear additional conversation on the radio and it sounded like a "scuffle" with SGT. GIESE having an escalated audio tone to his voice. Dispatch asked at this point if SGT. GIESE was involved in a 10-80 (chase) with a bike and there was no reply. A short time after this transmission, OFC. SMITH heard SGT. GIESE call out something to the effect of "drop the gun" or "drop the fucking gun" on the radio and a short time later heard SGT. GIESE call out "shots fired" followed by something similar to "I'm okay, suspect's down, send rescue". OFC. SMITH stated that he was responding at this point with lights and siren activated, taking the route of Chicory Road east to Hwy 32 (Sheridan Road), then Sheridan Road to Sgt. GIESE'S location.

OFC. SMITH advised that he was the first officer on scene to assist SGT. GIESE, and that he responded to the location where SGT. GIESE'S squad was parked with the emergency lights activated, and this was on 25th Street just to the east of Racine Street. OFC. SMITH initially checked the area in his squad car but he could not locate SGT. GIESE, so he stopped back near GIESE'S squad car and exited his squad car. Once out of the squad car, OFC. SMITH yelled for SGT. GIESE, who responded that he was "over here" and that is when OFC. SMITH saw SGT. GIESE west of his location. SMITH activated his body worn camera and responded to SGT. SMITH'S location on foot.

When he arrived at SGT. GIESE'S location, he observed that SGT. GIESE had the suspect at gunpoint. OFC. SMITH observed that the suspect was shot and was laying on the ground by the north fence line. OFC. SMITH asked SGT. GIESE if he was okay and SGT. GIESE stated yes and then he pointed out the suspect's gun on the ground. SMITH noticed at this time that the firearm was within an arm's length of the suspect. SGT. GIESE told him (SMITH) to handcuff the suspect, which he did, handcuffing the suspect's wrists in front. OFC. SMITH stated that as other officers were arriving, he ran to squad #137 and retrieved a first aid kit and returned to the victim where OFC. WROBLEWSKI started administering first aid to the suspect. OFC. SMITH then recalled that OFC. PATEK arrived and started to take photos of the scene as South Shore Rescue workers were arriving.

As the victim was being attended to, OFC. SMITH went over to the original area where SGT. GIESE'S squad car and the suspect's bicycle was to search for identification, however he did not locate anything near the bike or in the sweatshirt that was on the ground. OFC. SMITH then returned to where

the suspect was laying down, and spoke with SGT. GIESE and it was decided they would try to get a "fast id" to the location in an attempt to identify the suspects since there was no id located. OFC. SMITH then returned to where SGT. GIESE'S squad car was located and spoke with other officers about making contact with someone to bring the "fast id" system to the scene.

OFC. SMITH then helped secure the scene and waited for additional officers to arrive.

There will be a secondary report reference my review of OFC. SMITH'S body worn camera video.

TYRESE WEST on a bicycle in the 2500 block of Racine Street. On 25<sup>th</sup> Street WEST jumped off his bike and ran back to the west towards Racine Street where SGT GIESE gave chase. SGT GIESE attempted to deploy his Taser to stop WEST but was unsuccessful. During the foot pursuit, according to SGT. GIESE, WEST attempted to throw a handgun which ended up landing directly in front of where WEST had also fallen to the ground. According to statements, there was a struggle for this handgun and SGT GIESE shot WEST three times.

The following is a report documenting the radio transmissions between Racine County Dispatch (Dispatch) and SGT GIESE. It should be noted that Dispatch did download the radio transmissions onto a disc and I, Investigator DERKS, was provided this disc on 06/15/2019. The radio transmissions cover approximately 24.05 minutes. It should also be noted during these radio transmissions SGT GIESE's car number was car #134 for the evening. The following is the transmissions.

SGT GIESE: 34 be out with a bicycle on the curve of highway 32 coming up on 24 here, 24<sup>th</sup> Street

Dispatch: 10-4

SGT GIESE: I don't know if he's going to stop for me here

Dispatch: 10-4 Dispatch to 136

OFC CODY SMITH: 136 en route

Dispatch: 10-4

(Next transmission 28 seconds in)

SGT GIESE: He's not going to stop

Dispatch: Copy. Are you calling a 10-80 with a bicyclist?

(.49 seconds in)

SGT GIESE: He's running, he's running back (This transmission it appeared that SGT GIESE was also in foot pursuit based upon the sound of his voice)

Dispatch: What's your 20? Emergency air channel 9.

**NARRATIVE**

On 06/15/2019 at about 0139 hours, I, Sergeant BeBow #1916, responded to 25th St/Racine St. (Mt. Pleasant) reference assisting Mt. Pleasant PD with an officer involved shooting incident.

Upon my arrival, I was advised by Mt. Pleasant Police on scene that they needed assistance securing the scene. Mt. Pleasant PD advised that the incident took place in the area of 25th St/Racine St. I requested RPD squads to block all pedestrian and vehicular traffic at 23rd St/Racine St (Southbound) and 24th St/Mead St (Southbound and Westbound). Officer Lauer and Officer Thill blocked 23rd St/Racine St and K9 Officer Rybarik blocked 24th St/Mead St. I also advised Officer Lauer that if any media should arrive on scene, the media's staging area would be 23rd St/Mead St, southeast corner lot. I then assisted with securing the inner perimeter of the scene with yellow police tape.

Once the scene was secure, I had an opportunity to speak with Lt. Geyer and Captain Stroupe of the MPPD. I was advised that Lt. Geyer would be the point of contact for the incident. Lt. Geyer requested that our Major Crimes Evidence Technicians respond to assist with processing the scene. I contacted Lt. Wohlgemuth, Investigations (RPD), and Lt. Wohlgemuth approved our Major Crimes evidence technicians to assist. Lt. Geyer advised me that he had also contacted D.C.I. (Department of Criminal Investigations).

A short time later, I was contacted by Lt. Geyer and he formally requested that the Racine Police Department lead the investigation into the shooting incident. I contacted Lt. Wohlgemuth and advised him of the request. Lt. Wohlgemuth advised that he would start preparing to activate Major Crimes. I contacted Chief Howell and advised him of the incident and of Mt. Pleasant PD request for the Racine Police Department to lead the investigation. Chief Howell approved of the Racine Police Department leading the investigation and

**SUMMARY**

Dispatched to assist Mt. Pleasant PD requesting mutual aid for officer involved shooting at 25th and Racine St. Upon arrival at 24th and Racine Mt. Pleasant officer requested assistance shutting down road and establishing scene security. I assisted with blocking road and setting up of crime scene tape to control traffic and pedestrian traffic. See narrative for details.

**NARRATIVE**

On 6/15/19 at approximately 0139 I was dispatched to 25th and Racine St. for mutual aid to Mount Pleasant PD with a officer involved shoots fired incident. Upon my arrival along with Ofc.Thill at 24th and Racine St. a Mt. Pleasant squad was blocking the road. Mt.Pleasant officer Lodi requested assistance with blocking the road from traffic and establishing a crime scene perimeter. I then assisted in putting up crime scene tape and traffic control at 24th and Racine St. I was then advised by Sgt. Bebow who had also arrived at 24th and Racine St. that we needed to expand the crime scene to include 24th and Mead St. Sgt. Bebow reassigned me to control traffic and pedestrian traffic at 24th and Mead. I blocked Mead St. southbound traffic with my squad and emergency lights activated. I placed traffic cones for westbound traffic on 24th St. in addition to crime scene tape for pedestrian traffic. I remained at the intersection until 0520 until releaved by Ofc. Lauer. While at the intersection two parties were escorted into a local business for work at a restaurant on the SE corner of 24th and Racine. all other vehicle or pedestrian traffic was diverted around the crime scene area.

**NARRATIVE**

In continuing the investigation into the shooting death of TYRESE WEST, which occurred on 06/15/2019 in the 2500-block of Racine Street, I, Investigator (INV) DAVID DERKS, was provided the downloads of squad cam videos, as well as body cam videos of Mount Pleasant Police Department (MPPD) Officers. These downloads were provided to me by Lieutenant (LT) SCOTT GEYER of the MPPD where they were placed on a zip drive that was later placed into evidence.

The following is the viewing of the squad car videos that were provided by MPPD to have been on-scene after the shooting of TYRESE WEST. It should be noted that Sergeant (SGT) ERIC GIESE, the Officer who had shot and killed TYRESE WEST, was wearing a body camera but that it was not activated. That body camera was recovered from SGT GIESE and handled by other Officers. His squad vehicle, though equipped with a recording camera, was not functioning and had not been functioning for quite a while. The hard drive was recovered by other officers.

06/15/2019

In viewing the squad cam footage that was provided by LT GEYER, I found that a camera marked as MPPD #123, which is the squad number, and was dated 06/15/2019 at 0133.57 hours, was being operated by OFC MICHAEL LODYGOWSKI. The following are observations made while watching this vehicle footage.

At 0134.27 hours - There were audio transmissions that were hard to hear and unclear. The video continued to cut in and out.

At 0140.60 hours - Squad #123 follows squad #122 to the scene which is in the 2500-block of Racine Street where squad #123 goes past #122, around the block and blocks traffic at 24<sup>th</sup> Street and Racine Street, cutting off southbound traffic on Racine Street, which is also Highway 32.

At 0208.40 hours - Officer LODYGOWSKI can be heard talking on a phone saying who he believed the individual that was shot was and that he had dealt with him approximately 2 years ago, along with his father, and that his sister is [REDACTED]. It should be noted that it was initially believed that the individual shot, who turned out to be TYRESE WEST, was [REDACTED]

At approximately 0309.90 hours, the video shuts off.

Attached underneath this video were photographs that were also downloaded and believed to be taken by OFC LODYGOWSKI. The first photograph is marked J6F05060. This is a photograph of a black handgun with a silver slide.

Photograph J6F05061 was a close-up of this same black handgun with the silver slide.

Photograph J6F05062 is of a yellow Taser that has written on it "MPPD," as well as "2012-46" written on it. This Taser shows to be a Model X26 Taser with the light still on lying in the grass.

Photograph J6F05063 is of this same yellow Taser with the same markings above.

Photograph J6F05064 is a photograph showing a black hooded sweatshirt, a bike lying in the roadway, and a canine squad parked at an angle in front of this bike. This was the vehicle that SGT GIESE was operating at the time he attempted to stop TYRESE WEST on the bicycle.

Photograph J6F05065 is a close-up photograph of the black hoodie, bike and squad car.

Photograph J6F05066 is just a close-up of the black hoodie.

Photograph J6F05067 is also a closer picture of the black hoodie.

Photograph J6F05068 is a close-up of the hoodie showing the brand name of Fila.

Photograph J6F05069 is a close-up of the bike that was black and blue in color and was a mountain bike.

Photograph J6F05070 is a tag on the frame of the bike showing MGX Part Service with a phone number underneath it of 1-800-626-8211 and numbers underneath that of [REDACTED].

Photograph J6F05071 is an overall picture of the bicycle.

Photograph J6F05072 is a close-up showing a portion of the serial number for the bike of [REDACTED].

Photograph J6F05073 is a close-up of the other portion of the serial number where it only shows the [REDACTED]. Putting these 2 photographs together, the full serial number for the bike is [REDACTED].

Photograph J6F05074 is a photograph showing a squad on Highway 32 or Racine Street and the fence line where the shooting incident occurred.

Photograph J6F05075 is a fired casing in the grassy area.

Photograph J6F05076 is a casing in the grassy area.

Photograph J6F05077 is TYRESE WEST lying along the fence in the grassy area deceased. This is a photograph from his feet towards his head.

Photograph J6F05078 is TYRESE WEST lying in the grassy area deceased from his head towards his feet.

Photograph J6F05079 is an over the top view looking down which shows the handgun, TYRESE WEST, and what appears to be packaging from medical supplies.

Photograph J6F05080 is a closer photograph depicting all of the same items from Photograph J6F05079.

Photograph J6F05081 is an overall top photo showing the same items from photographs J6F05079 and J6F05080.

In continuing to review the squad car footage provided by LT GEYER, I reviewed the squad cam footage from squad #136 which was operated by OFC CODY SMITH. It should be noted that OFC SMITH was interviewed on-scene by INV KEVIN KLINKHAMMER and that the body cam worn by OFC SMITH was documented by INV KLINKHAMMER. The following is the documentation of the squad cam of MPPD squad car #136 that was operated by OFC SMITH.

Incident Report Number

19-026477

Incident Location:

24th St/Racine St, Racine, WI, 53403

Incident Date:

06/15/2019

On 06/15/2019, at 0132.36 hours, the squad car begins running. It shows his vehicle on Chicory Road turning onto Highway 32 north on Highway 32.

At 0134.00 hours, OFC SMITH arrives on-scene of where the shooting occurred.

At 0134.12 hours, OFC SMITH drives by SGT GIESE on the west side of the street and goes to where his squad car is on 25<sup>th</sup> Street. OFC SMITH drives around 24<sup>th</sup> Street and comes back to Racine Street and pulls back up by SGT GIESE's car. It can be seen the coat and bike in the roadway and SGT GIESE's squad car lights are on. OFC SMITH exits his vehicle and runs towards SGT GIESE's squad which is to the east on 25<sup>th</sup> Street and then back towards Racine Street.

At 0136.28 hours, 2 Officers run past OFC GIESE's vehicle, then back towards Racine Street. At 0145.50 hours, Officers come from the east, while 2 Officers come from the west, and pick up and what appears to be searching the pocket of the hooded sweatshirt.

At 0147.05 hours, Officers can be seen photographing the sweatshirt with a second Officer taking notes. They then also photograph the bicycle.

At 0149.50 hours, 2 Officers are in view by the bicycle appears to be looking for a serial number and more photographs are taken.

At 0153.38 hours, 3 Officers come into camera view and appear to be searching the area of the fence line right in front of where SGT GIESE's vehicle is, as well as the bicycle that WEST was on.

At 0202.10 hours, a Racine County Sheriff's Department squad drives through west on 25<sup>th</sup> Street.

At 0211.53 hours, the video is stopped.

Under the video that was downloaded for OFC SMITH's vehicle, being squad #123, there is a video that is called "sub" in its labeling. There is nothing on this video, though it shows a timer that it ran from 0132.38 hours to 0211.53 hours.

The next video that was observed was for squad #137, which was a vehicle being operated by OFC MALCOM KELLY. It should be noted that OFC KELLY was interviewed by INV KLINKHAMMER at the scene and OFC KELLY was not wearing a body cam, therefore, there was not one downloaded from him.

The following is the viewing of the squad cam from MPPD vehicle #137.

Audio begins at 0136.10 hours where OFC KELLY, or squad #137, is going east on Durand Avenue.

Reporting Officer(s):

Derks, David G.

**Racine Police Department (RAPD)****Continuation**Incident Report Number  
19-026477Incident Location:  
24th St/Racine St, Racine, WI, 53403Incident Date:  
06/15/2019

At 0137.48 hours, the vehicle arrives as SGT GIESE is telling Dispatch to advise his superiors and everybody else over the air. SGT GIESE is then heard over the radio telling Officers to come back over here.

At 0138.07 hours, OFC KELLY parks on Racine Street facing the fence line to the west, but just to the north of where SGT GIESE was at, as well as where WEST 's body was lying in the grass. You can hear transmissions over the radio asking for traffic to be shut down by responding squads.

At 0149.32 hours, the squad cam picks up Officers taping off the area in front of the squad and you periodically see Officers moving in front of the squad in the heavy grass line. Officers moving back and forth appear to be searching through the tall grass area in front of the squad on the west side of Racine Street.

At 0234.57 hours, the video ended.

The next squad cam video that was viewed was MPPD squad car #122 which was being operated by SGT DALE SWART of the MPPD.

The footage begins on 06/15/2019 at approximately 0134.36 hours. The vehicle appears to be in the area of Oakes Road and Highway 20 when SGT SWART begins going lights and sirens towards the east end. No audio can be made out.

At 0137.15 hours, the audio is cutting in and out, but SGT GIESE can be heard asking to notify his supervisor and directing squads on his location.

At 0139.01 hours, SGT SWART is now getting in the area of Durand Avenue and Taylor Avenue, still heading eastbound.

At 0140.00 hours, SGT SWART arrives on-scene where there are already multiple squads on-scene and he parks his vehicle on the curve just before the turn onto 25<sup>th</sup> Street. In the video, you can see a light from where SGT GIESE is on the west side of the street. At this time, SGT GIESE's vehicle, along with 3 other squads, are on 25<sup>th</sup> Street.

At approximately 0145.30 hours, Mount Pleasant Rescue is on-scene and remains on-scene until approximately 0244.0 hours. At approximately 0528 hours, State Patrol arrives on-scene.

At approximately 0721.00 hours, the dash cam for this vehicle is shut down with the Officer who shut it down advising that they were told to do so by INV KLINKHAMMER.

LT GEYER also provided me with the squad cam and body cam of OFC DREW WROBLEWSKI and squad #131 which he was operating. These videos were reviewed and documented by INV DANIEL LANGENDORF.

[REDACTED]  
[REDACTED]  
[REDACTED]**NARRATIVE**

On 06/15/2019, I, Investigator (INV) DAVID DERKS, was asked to assist in the investigation into the shooting death of TYRESE WEST by Sergeant ERIC GIESE of the Mount Pleasant Police Department.

During this investigation, it was learned that TYRESE WEST was in possession of a SCCY Industries CPX-2 .9mm handgun at the time of this shooting. The serial number was run and a firearms trace was done through the ATF, and I learned that it was purchased on [REDACTED] by a [REDACTED] [REDACTED] out of Milwaukee.

In researching [REDACTED] [REDACTED], though on the trace it showed that she [REDACTED]  
[REDACTED].

On 06/20/2019, I did respond up to [REDACTED] [REDACTED] address where along with two West Allis Police Officers I did knock on her door. I received no response from inside at which time I left one of my business cards at her door.

On the following days after leaving a business card at [REDACTED] [REDACTED] door, an [REDACTED] [REDACTED] called the Racine Police Department Detective Bureau asking why I was looking to speak with him. I did call [REDACTED] [REDACTED] back and did advise him that I was looking to speak with [REDACTED] [REDACTED] whom he identified as his

girlfriend and mother to his children. She later called me after she was advised of my phone number by [REDACTED] F[REDACTED]. An appointment to meet with [REDACTED] F[REDACTED] on 07/02/2019 at the West Allis Police Department at approximately 1730 was made as I advised her that I needed to talk to her about a sensitive issue that occurred in Racine but did not advise her what that was.

On 07/02/2019, myself, INV KEVIN KUPPER, and Special Agent RAYMOND GIBBS of the Department of Justice (DOJ) responded to the West Allis Police Department. We were provided with a small interview room just off of their main lobby to interview [REDACTED] F[REDACTED]. This interview was recorded on a digital recorder. For complete details of the interview, see the actual recording that was placed also in evidence.

Shortly after 1730 hours, E[REDACTED] F[REDACTED] did arrive at the West Allis Police Department where she was [REDACTED]; she indicated that that was where she worked. I introduced myself along with INV KUPPER and DOJ DCI Agent RAYMOND GIBBS.

During this interview I asked [REDACTED] F[REDACTED] if she had any family in Racine to which she indicated that she did not. I asked her if she knew anyone in Racine and she indicated that she did not. I asked her about A[REDACTED] F[REDACTED] and she indicated that he was the father to her children and that they had recently separated. She did indicate that they had been together for approximately 14 years but that they split up in March. She indicated that he also does not have any family or friends in the Racine area that she is aware of.

It should be noted that I did do some research on E[REDACTED] F[REDACTED] and A[REDACTED] F[REDACTED] prior to this interview and learned that he is a convicted felon on Probation/Parole supervision and is not to possess any firearms.

At this time I asked F[REDACTED] about her owning a handgun. She indicated she does not own a gun and that she had a gun but it was taken from her house. I asked her when this was and she indicated it was when she [REDACTED], and that she had some people over and that she did not realize it had been taken.

[REDACTED] She indicated that the gun was taken close to 3 years ago and that she only had it a couple of months. I did point out the day it was purchased and that was when she stated she only had it for a couple of months. F[REDACTED] stated that she had a lot of people in-and-out of her house and someone was also staying with her. I asked her if she knew what kind of gun it was and she indicated that she had owned 2 guns, one was a silver gun, and one was black. F[REDACTED] indicated that she did not remember the caliber, but that both of them were semi-automatic and that she knew the difference between a revolver and a semi-automatic. She stated that both of them were purchased from a place called Shorty's in Milwaukee and that the second one was silver. She again indicated that she had no idea who took it.

Incident Report Number

19-026477

Incident Location:

24th St/Racine St, Racine, WI, 53403

Incident Date:

06/15/2019

F [REDACTED] did indicate that she never reported it stolen. She also indicated that F [REDACTED] knew she had the gun but it was unknown to her who took it or if he did something with it.

At this time, I pointed out to F [REDACTED] as she kept asking what happened with the gun, and I gave her a little bit of the details of how we came into possession of this handgun.

I went back to asking F [REDACTED] again who was living with her at the time the gun was stolen and she indicated that it was her kids, F [REDACTED], and a friend from Chicago by the name of [REDACTED] whom she denied knowing a last name to. She also then stated that she had a party with so many people inside of her house that they were all over. She was asked where she kept the gun and she stated in her bedroom. I asked her again if there was chance that F [REDACTED] got ahold of it and sold it, and she responded by saying if he did, he did not tell her about it. She also indicated that she knew he was a convicted felon and was not supposed to be in possession of any guns, and acknowledged that she was not supposed to have guns in the house knowing he is a convicted felon.

During the interview, F [REDACTED] went back over the timeframe she had the gun, and again stated she did not have it very long, and that she did not even know how to load it. She indicated that she had it for protection because of where she was living. She again stated that she did not know how to load it and that she was going to take classes.

I asked F [REDACTED] how long she had worked [REDACTED] and she stated for 6 years. She asked who had her gun and she was shown a picture of TYRESE WEST and she indicated that she did not know who that was. She was then told a name and stated she did not know the name either.

At this time, I asked F [REDACTED] again if there was a chance she bought this gun for F [REDACTED] and she responded by she bought it for protection. I pointed out to her that this was the second handgun she had purchased both semi-automatic and after 2 guns she still did not know how to load the handgun, and that I found this very hard to believe. F [REDACTED] again denied buying it for F [REDACTED]. I questioned her on why she never reported it stolen, and she again stated she got it for protection and that it was taken, and that if he sold it she did not know, and she was going to but then just got busy and it slipped her mind.

F [REDACTED] was asked how long she had been living in [REDACTED] and she stated that it would be 2 years in October. She was asked if she had the gun box at home and she stated she did not. She was asked for a phone number for F [REDACTED] and she provided a phone number of [REDACTED] and indicated he had just changed his number and that they were no longer living together.

Special Agent GIBBS then asked F [REDACTED] when she bought the guns did she buy

bullets and she indicated she did. She was asked if F [REDACTED] knew about the gun and where it was kept and she indicated that he did. Special Agent GIBBS asked if the female [REDACTED] living with her knew about it and she indicated that she did not. She was asked specifically where she kept the gun and she stated on a closet shelf in the box. I asked if [REDACTED] had free reign of the house, F [REDACTED] indicated that she could have went in there but did not seem to be that type to get a gun. She then again blamed it on the house party. When asked where the bullets were she stated that they were on the side but that it was not loaded. F [REDACTED] then stated that she did not know if F [REDACTED] ever loaded it. She stated that she kept it in the closet but never really touched it.

F [REDACTED] was then asked if she went to Shorty's alone and she indicated she did. I asked her how she chose the gun that she bought and she stated the people inside helped her pick it out. She claimed that it was based upon how hard it was to pull back and things of that sort. She claimed that F [REDACTED] was not with her, was not in the lot, and did not tell her what gun to get. She was asked about the gun box and what it looked like and she indicated that she could not remember and then described what kind of box the bullets were in.

INV KUPPER asked her about a gun lock and cable type, and F [REDACTED] stated that it was in the gun but that the key was in the lock accessible to whoever took it.

F [REDACTED] was asked if she knew where F [REDACTED] was at and she indicated that he was back-and-forth to Chicago. I asked about him watching her kids and she indicated that her kids were currently [REDACTED] with family for the summer.

This interview was ended by me advising [REDACTED] F [REDACTED] that I would be in contact with her if need be as this investigation continued.

It is this Investigator's belief that F [REDACTED] F [REDACTED] purchased this handgun for her boyfriend A [REDACTED] F [REDACTED] as she admitted that she has never loaded or fired either handgun she purchased and did not know how to load the handgun; therefore, her claim for wanting it for protection would be useless.

Attempts will be made to contact A [REDACTED] F [REDACTED] in an attempt to interview him in regards to this handgun.

Investigation to continue.

**SUMMARY**

This Supplementary Report is in reference to Incident # 19-026477. RAPD assisted MPPD with officer involved shooting .

I photographed officers trousers, gloves and folding knife. Photos were documented on a photo log sheet and submitted the ID bureau. No evidence was collected at that time.

**NAMES****Police Officer-1**

Phone 2:(262) 635-7700

**Police Officer-2**

Riffel, Kirk MPPD75 W/M of 8811 Campus Dr,1, Mount Pleasant,WI,53406

Phone 1:(262) 884-0454

**NARRATIVE**

On 06-15-19 at approximately 0948 hours, I (OFC.AGUILAR) was dispatched to MPPD in reference to an Evidence Technician assignment.

INV.LAFORGE requested photos of an officers uniform. INV.LAFORGE had no further requests at that time.

OFC.RIFFEL from MPPD assisted me with photographing the officers trousers, gloves and folding knife. The officer trousers were placed on top of a stainless steel table in MPPD evidence room. I examined the front side of the officers trousers and observed a stain near the front right pocket area and crotch area. I also observe some dirt to both knees. I did not observe any other stains on the front of the officers trousers. I photographed the front side of the trousers and then flipped them over and examined the back side. I did not observe any stains to the back side of the trousers. I photographed the back side of the trousers and then released them back to OFC.RIFFEL. I examined the gloves and observed dried blood on both gloves. I photographed the gloves and then released them back to OFC.RIFFEL. I examined a black folding knife and observed a small amount of dried blood on the blade of the knife. I photographed the knife and then released the knife back to OFC.RIFFEL. OFC.RIFFEL had no further items to photograph at that time.

#### NAMES

Deceased – unknown at this time

#### NARRATIVE

ALL MEDIA INQUIRIES INTO THIS INCIDENT SHOULD BE REFERRED TO THE MOUNT PLEASANT POLICE DEPARTMENT

*{previous release from Sgt. Spaulding}*

*On 6/15/2019 at around 0200 hours a Mount Pleasant PD Sergeant was involved in an OIS. Preliminary information is that the Sergeant was pursuing a bicyclist across Racine St. near 25<sup>th</sup> St. west bound. At some point the Sergeant fired shots at the suspect striking him. The suspect died at the scene. Mount Pleasant contacted WI DCI, but DCI was not able to respond. Mount Pleasant requested Racine PD to investigate the OIS. Arrangements are being made at the time of this email. Unconfirmed information at the time of this email is that the suspect is a male teenager.*

MPPD formally requested that our department conduct the critical incident investigation; Major Crimes was activated. DCI was also contacted to provide assistance and review. Milwaukee PD provided a firearms/explosives K-9 for a search of the scene. WSP TRU responded with their Total Station to assist with scene processing.

At the time of this report, the subject has not been positively identified.

## SUPPLEMENTAL RECONSTRUCTION REPORT

**CASE NUMBER: 2019-178-SER**

**REPORTING RECONSTRUCTIONIST: Trooper Michael Smith**

**REGIONAL CASE NUMBER: CFS 000124-8479**

**CRASH TYPE: Officer involved Shooting**

**(800) 375-7302**

**June 15, 2019**

### **- FORWARD -**

*Crime Reconstruction is a comprehensive subject with many facets and specialty fields. The primary responsibility of the investigation is to document and preserve all available physical evidence. The following reconstruction is limited to the subjects stated herein. The author and the Wisconsin State Patrol reserve the right to conduct a more extensive analysis of the available material on a later date as necessity dictates.*

### **REQUEST FOR ASSISTANCE:**

On the June 15, 2019, at approximately 3:15 a.m. I was contacted by Wisconsin State Patrol Southeast Communications Center. I was requested to respond to an officer involved shooting that occurred near the intersection of Sheridan Road and 25<sup>th</sup> Street.

I arrived at the scene at approximately 4:05 a.m. and met with Racine Police Criminalist Donald Prudhom. Criminalist Prudhom stated a male subject was fatally shot as a result of the incident.

### **FORENSIC MAPPING OF THE SCENE**

To obtain an accurate scaled diagram for this incident scene, I completed a detailed survey of the scene using the Trimble S6 Robotic Total Station. This device is an electronic survey instrument that is composed of a theodolite (angle measuring system), an EDM (electronic distance measuring) system, a data collector and a prism (See Figure 3). The Trimble S6 also has prismless capabilities, known as direct reflect technology. Additionally, the S6 has a detached data collector that communicates with the machine using a 2.4 gigahertz radio. The theodolite and EDM systems measure the angle and distance to points of interest. The measurements are stored electronically by the data collector and are later downloaded for processing. The downloaded data is imported into Computer Aided Drawing (CAD) software in order to create a scaled drawing of the incident scene.

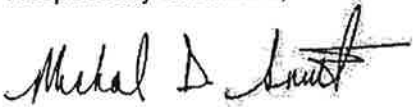

This instrument allows for data points to be measured in three-dimensions, thereby mapping roadways, evidence locations, and contiguous terrain with a high degree of accuracy. Included in the evidence gathered were the locations of evidentiary items identified by investigators, the location of police vehicles, and the topography

surrounding the incident. Also collected were the locations of the roadway edges, pavement markings and sidewalks. I used the survey data to produce a forensic map of the scene. A scaled scene diagram is appended to this report.

**CASE SUMMARY:**

This is the end of this supplement report written on today's date, June 25, 2019.

Respectfully submitted,

Trooper Michael Smith, ACTAR 2154  
Accredited Reconstruction Specialist  
Division of State Patrol  
State Traffic Operations Center  
Technical Reconstruction Unit

- **Item #39: Bullet projectile recovered from neck of West at autopsy**
- **Item #40: Bullet projectile recovered from left cheek of West at autopsy**
- **Item #41: Bullet fragment recovered from left side of face of West at autopsy**

On Saturday June 15, 2019 at approximately 0139 hours, Mount Pleasant Police Sergeant Eric Giese was on patrol when he observed a person riding a bicycle with no headlamp. Based on an increase of crime involving people on bikes, Sgt. Giese attempted to stop this individual to FI (field interview) him. The suspect (later identified as Tyrese West), refused to stop causing Sgt. Giese to activate his squad car lights in a further attempt to get West to stop. At this point, near 25<sup>th</sup> Street and Racine Street in Mount Pleasant, WEST dumps his bicycle and runs in a westerly direction. Sgt. Giese catches up to West at which point Sgt. Giese sees that West is in possession of a firearm. A physical altercation takes place between Sgt. Giese and West, that included Sgt. Giese attempting to take West to control him. As a result of West being in possession of a firearm, ultimately Sgt. Giese did discharge his duty weapon three times, striking West three times causing his (West's) death.

I am requesting that both firearms submitted (Item #3 and Item #24) be test fired for functionality and the results of Item #24 be entered into NIBIN for comparison purposes, and if any prior case matches to this firearm are found, to have those results returned to me.

I am requesting that the casings recovered (Item #15, 16 and 17), be compared to the Glock submitted as Item #3.

I am requesting that the projectiles recovered (Item #39, 40 and 41), be compared to the Glock submitted (Item #3) for comparison purposes.

I am requesting that the DNA swabs submitted (Item #8, 9, 10 and 11), be processed to establish a DNA profile in an attempt to identify the individual it belongs to.

I am requesting that DNA swabs submitted (Item #25, 26, 27 and 28), be processed to establish a DNA profile, and have this profile compared to the DNA card submitted (Item #37) for Tyrese West.

Thank you and please forward all results or inquiries to:

Inv. Kevin Klinkhammer #1987

**Wisconsin Division of Criminal Investigation Case Report**  
**Case/Report Number: 19-3844 Initiating case report**

On Saturday, June 15, 2019, at 2:45am, SAC Klabunde received a call from Mount Pleasant PD Lt. Scott Geyer regarding an OID that occurred in their jurisdiction. After a brief conversation, Lt. Geyer consulted with Mount Pleasant Chief Matt Soens and decided to request the Racine PD be the lead investigative agency in the OID, and DCI would respond with two agents and a SAC to act as a liaison with Racine PD regarding this investigation.

SAC Klabunde, SA Gibbs and SA Pawlak responded to the scene. SAC Klabunde monitored the scene investigation while SA Gibbs and SA Pawlak monitored the critical incident interviews at the Racine PD. Subsequently, SA Pawlak assisted with the collection of the body camera and the squad camera SD cards (see SA Pawlak report).

This case file is opened for the purpose of housing any DCI investigative activity in this investigation.

**Narrative Begins on the following page:**

**Wisconsin Division of Criminal Investigation Case Report**  
**Case/Report Number: 19-3844/1**

On 06/16/2019, Digital Records Analyst (DRA) James S. Gustafson received two City of Racine Police Department evidence items (19-026477-001 and -002) from an officer involved death that occurred in Mount Pleasant, WI at approximately 1:35am on 06/15/2019. Special Agent (SA) Jeffery Wisch placed the items in a secured evidence locker at the WI-DCI Appleton Field Office on 06/16/2019 at approximately 12:07pm. DRA Gustafson retrieved the items with a key provided by SA Wisch from the locker at approximately 3:30pm on 06/16/2019. SA Raymond Gibbs contacted DRA Gustafson and advised him to examine both items to see if any files were recorded during the time and date of the officer involved death.

DRA Gustafson first examined item 19-026477-001. DRA Gustafson determined that the item was a VIEVU LE-4 body camera. DRA Gustafson removed the item from the sealed packaging. While removing the item DRA Gustafson believed the camera started to record. DRA Gustafson quickly turned the camera off by using the power button on the side of camera. The following event took place on 06/16/19 at approximately 4:19pm. DRA Gustafson later confirmed via the memory device data content report generated by Encase software that the camera did record a short video recording while being removed from the packaging.

DRA Gustafson then examined item 19-026477-002. DRA Gustafson determined that the item was a standard Panasonic SD card. The item was removed from a Mount Pleasant Police Department squad vehicle that was present during the officer involved death.

DRA Gustafson determined that the VIEVU body camera would need to be disassembled to remove the memory device that would contain the camera's video recordings. Through research online, DRA Gustafson would need to remove a mini SD card from the camera's motherboard. The SD card would contain any contents recorded or stored on the camera. DRA Gustafson contacted Digital Forensic Examiner (DFE) Craig Mantzke and discussed the need for disassembly of the camera. DFE Mantzke received advanced training for disassembling electronic devices. On 06/20/19, DFE Mantzke removed the mini SD card from the VIEVU LE-4 body camera. Photographs of the disassembly been placed into DCI records digital storage server.

On 06/21/2019, DRA Gustafson made forensic images of both items using EnCase software. DRA Gustafson archived the forensic images at the WI-DCI Appleton Field Office. Copies of the images can be provided upon request. On 06/26/19, DRA Gustafson generated reports of the all contents on both items using EnCase Software. DRA Gustafson placed the reports onto a CD and submitted the CD to DCI evidence as item #1 to this report. After reviewing the reports, DRA Gustafson was unable to locate any video recordings that would have been recorded during the time and date of the officer involved shooting. DRA Gustafson also previewed the most recent video recordings on both items to ensure the recording's timestamps were accurate. DRA Gustafson shared these results with SA Gibbs.

**Wisconsin Division of Criminal Investigation Case Report**  
**Case/Report Number: 19-3844/1**

On 06/26/19, DRA Gustafson reassembled the VIEVUE camera and resealed it within its original packaging. DRA Gustafson also resealed the Panasonic SD card into its original packaging. DRA Gustafson will be transporting all items mentioned above to the WI-DCI Milwaukee Field Office on 06/28/19.

**Memo to File 19-3844/4**

Report Date: 07/03/2019

**Primary Information**

Description: Notification to West Family Regarding State of Wisconsin Services / Resources Available to Them  
Reporting LEO: Jones, Shannon D (Milwaukee Special Assignments DCI / Wisconsin Department of Justice DCI)  
Approval Status: Approved  
Approved Date: 07/08/2019  
Approved By: Klabunde, David R (Wisconsin Department of Justice DCI)

**Synopsis**

On Wednesday, July 3, 2019, at approximately 9:15 am, Special Agent (SA) Shannon D. Jones and Special Agent (SA) Raymond Gibbs of the Wisconsin (WI) Department of Justice (DOJ) - Division of Criminal Investigations (DCI) responded to the address of [REDACTED]

The purpose of the visit to this location was to inform the West family of the State of Wisconsin resources / services that were potentially available to them (the family) as result of the death of Tyrese D. West [REDACTED]

SA Jones and SA Gibbs explained / provided the family with a form entitled, "Information For Victims of Crime in Wisconsin". They were also provided with our business cards and a contact number for a Victim Advocate. Family members and friends also expressed concern and had questions regarding the investigation process / progress.

Present at this visit were numerous family members, family friends, and legal representation to include:  
Attorney Paul Strauss  
Monique West (Mother)  
Dwight Person (Father)

SA Jones and SA Gibbs ended the visit on Wednesday, July 3, 2019, at approximately 10:30 am.

*Wisconsin Department of Justice DCI*

**Memo to File 19-3844/5**

Report Date: 07/08/2019

**Primary Information**

Description: Turn Over Evidence to Racine PD  
Reporting LEO: Gibbs, Raymond R (Milwaukee Special Assignments DCI / Wisconsin Department of Justice DCI)  
Approval Status: Approved  
Approved Date: 07/08/2019  
Approved By: Klabunde, David R (Wisconsin Department of Justice DCI)

**Synopsis**

On Tuesday, July 2, 2019, SA Ray Gibbs took receipt of two items of evidence from DCI Property Specialist Gilbert Hernandez, Items 19-3844/1.1, and Items 19-3844/2.1 and 19-3844/2.2. On Tuesday, July 2, 2019, Gibbs conveyed the listed items to the Racine Police Department at 730 Center St., Racine Wisconsin. Gibbs turned the items over to Racine Police Lieutenant David Wohlgemuth. Gibbs attached to this report two signed DCI Property Release Forms listing the items turned over to Racine P.D. by SA Gibbs.
