You can help sustain City of Racine parks and recreational amenities for the future. Add to the beauty of a park, make a difference in a child's life, or honor someone or something special by making a gift to the City of Racine Parks, Recreation and Cultural Services donation program.

The City of Racine Parks, Recreation and Cultural Services Department (PRCS) welcome and encourage donations from private individuals and entities that support the programs and services the Department and its Board provide to the public.

There are many variations on how to make an official donation, as there are needs to be met. ***Options for donation include; benches, trees, plaques, historical items, or other items to be placed on city property and maintained by the city (per approval of the PRCS Director).*** Parks and Recreation staff will work with donors to ensure the donated item is appropriate and beneficial to all park users and residents.

This document provides the application form and basic information to get started. All requests should be made by submitting the ***Application for Donation*** to:

City of Racine Parks, Recreation & Cultural Service
ATTN: Donation Program
800 Center St.; Room 127
Racine, WI 53403

The application should be detailed and contain current contact information. You may be asked to present your request to the Board of PRCS. The meeting date and time will be provided to you upon receipt of the application. If your donation is approved, a PRCS staff member will contact you with the details of the purchase and placement. A complete listing of city parks is available from the PRCS office or at cityofracine.org/ParksRec.

Please note: the final decision concerning placement in Racine Civic Centre Festival Park, Racine Zoological Society, Wustum Museum, or public golf courses is at the discretion of the administrator of each location.

PRCS has final approval of design, size, wording, material, location, etc. The donor will be responsible for payment of all costs including the purchase, shipping and installation of the donation. An invoice will be submitted to the donor by City of Racine PRCS. Full payment will be required prior to installation.

TIMELINE

All items considered for donation or adoption will be added to the Park Board agenda after review by PRCS staff. The Park Board meets the Second Wednesday of each month. This board has the option to approve the donated item, location and plaque. Once approved, the plaque will be ordered. Planting and installation generally take place during the spring or fall, depending on weather conditions.

BENCHES

Groups and individuals can purchase a park bench to be placed in an appropriate park or trail location. The benches are made of environmentally friendly lumber and are designed to tolerate the varying weather conditions. To ensure continuity in design memorial benches will be purchased and installed by PRCS. Donors will be invoiced and are responsible for payment of the purchase and placement costs.

The program cost to install a new bench is determined by the specific bench chosen by donor. All bench donations pricing include an 8" x 6" bronze plaque with a customized message, cement and installation. Please refer to the **"Bench Donation Program Policy"** for further information

TREES

Want to add to the beauty of a park? Consider a special tree planting in honor of an individual or group. Donors may purchase the tree and transport it to the Forestry Department, or donors may donate the funds for the tree to be purchased by the Forestry Department.

Donors are responsible for purchasing the tree and transporting it to the Forestry Division. The Forestry division will plant the tree on your behalf at no cost during either the spring or fall planting season. The City Forester has final approval of all tree requests. Requests for specific tree sizes and species will be taken into consideration. The planting conditions for the selected location will impact final determination.

The Forestry Division will provide care for your tree as it does for other public trees; this will include watering, staking and mulching. PRCS does not guarantee survival of your tree. Weather extremes, quality of plant material, and other factors often play a role in the survival success of a new tree. If a tree does not survive, PRCS will make every effort to replace the tree at no cost. Replanting of the same species will be attempted, but is not guaranteed.

PLAQUES

A plaque may be installed in the ground at the base of a memorial or existing tree. PRCS has final approval of plaque design, size & wording,

All plaques are made of bronze and are typically 8" x 6" in size. Wording on the plaque should be as brief as possible and is limited to phrases such as: *In Loving Memory of, Dedicated to, or In Honor of*. The recognition plaque is not intended to serve as a memorial marker; birth and/or death dates are not permitted. No logos of any kind are permitted on plaques. Other plaque options may be available upon request.

OTHER DONATIONS

PRCS will consider other requests for donations on an individual basis. Requests should be made in writing to the Board of Parks, Recreation & Cultural Services.
